

PIECES OF SHERWOOD

Just as it takes many interlocking pieces to make a jigsaw puzzle, it also takes many people, all working together, to have an efficient, well-run school. The theme of the 1980-81 Yearbook is "Pieces of Sherwood". Over 1500 interlocking people come together every day to make Sherwood a school we can be proud of.

As you turn the pages you will gain a better insight about your school and the part you play. Every one of us, from students to supporting services, to teachers, to administrators is a "piece of Sherwood". It is with this in mind that the 1980-81 Yearbook Staff hopes you thoroughly enjoy this year's edition of Leaves.

Suzanne,

Well its been really nice knowing you this year. I think that your one of the nicest girls in S.H.S Although I'm not around you to much I know that you a sweet person who I like to see more of in the following years. I hope you have a nice summer, and give those guys a break. your just a very wanted person. I wish you luck in whatever you do, although you dont need it. Your the best thing in the class of '83"

THE PUZZLE BEGINS

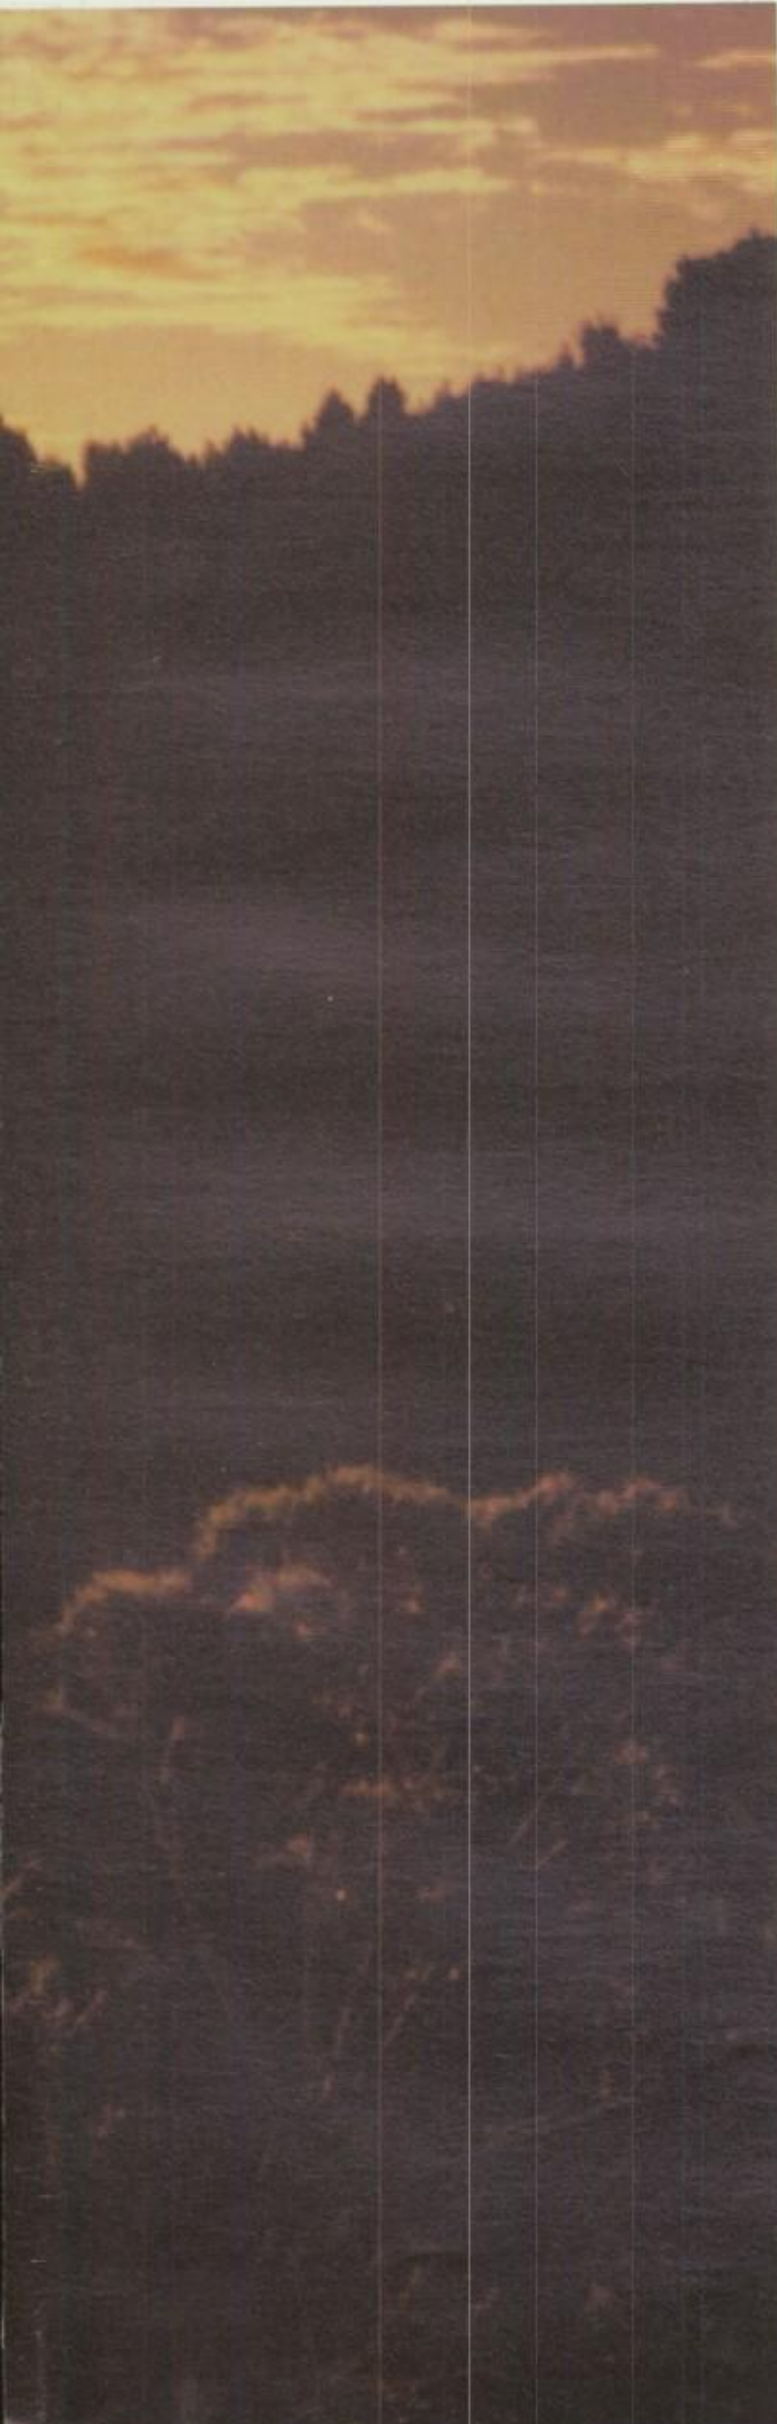

Even though most of us are still asleep, life at Sherwood begins around 6:30, when the building servicemen arrive to open the building, turn on the boilers, and raise the flag on another day.

By 7:00 the cafeteria workers are busy preparing warm pastry for the incoming breakfast crowd and beginning to get the day's lunch together. Another fifteen minutes go by and the remainder of the staff arrives to begin the day's work.

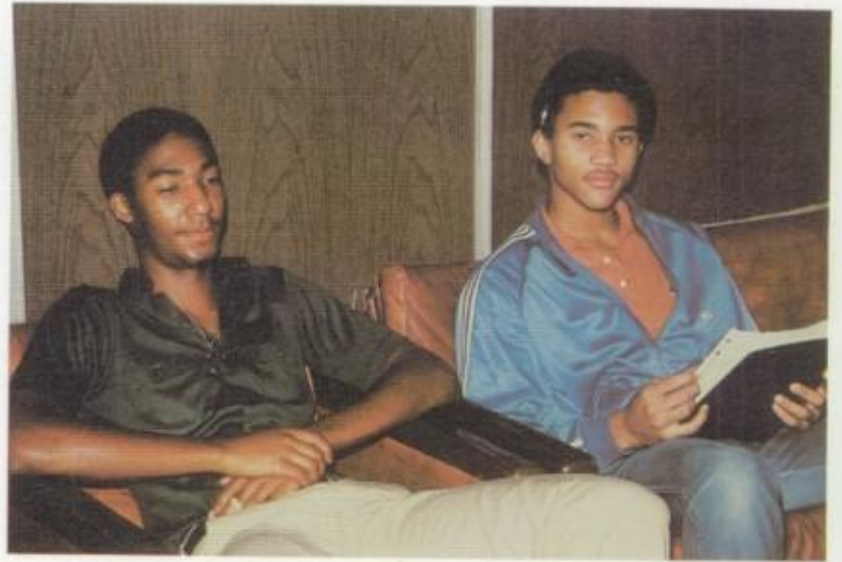

Now it's 7:40 and the building begins to erupt with the arrival of school busses and over 1400 students going to lockers and getting materials for first period class.

8:00, the bell rings **and the puzzle begins.**

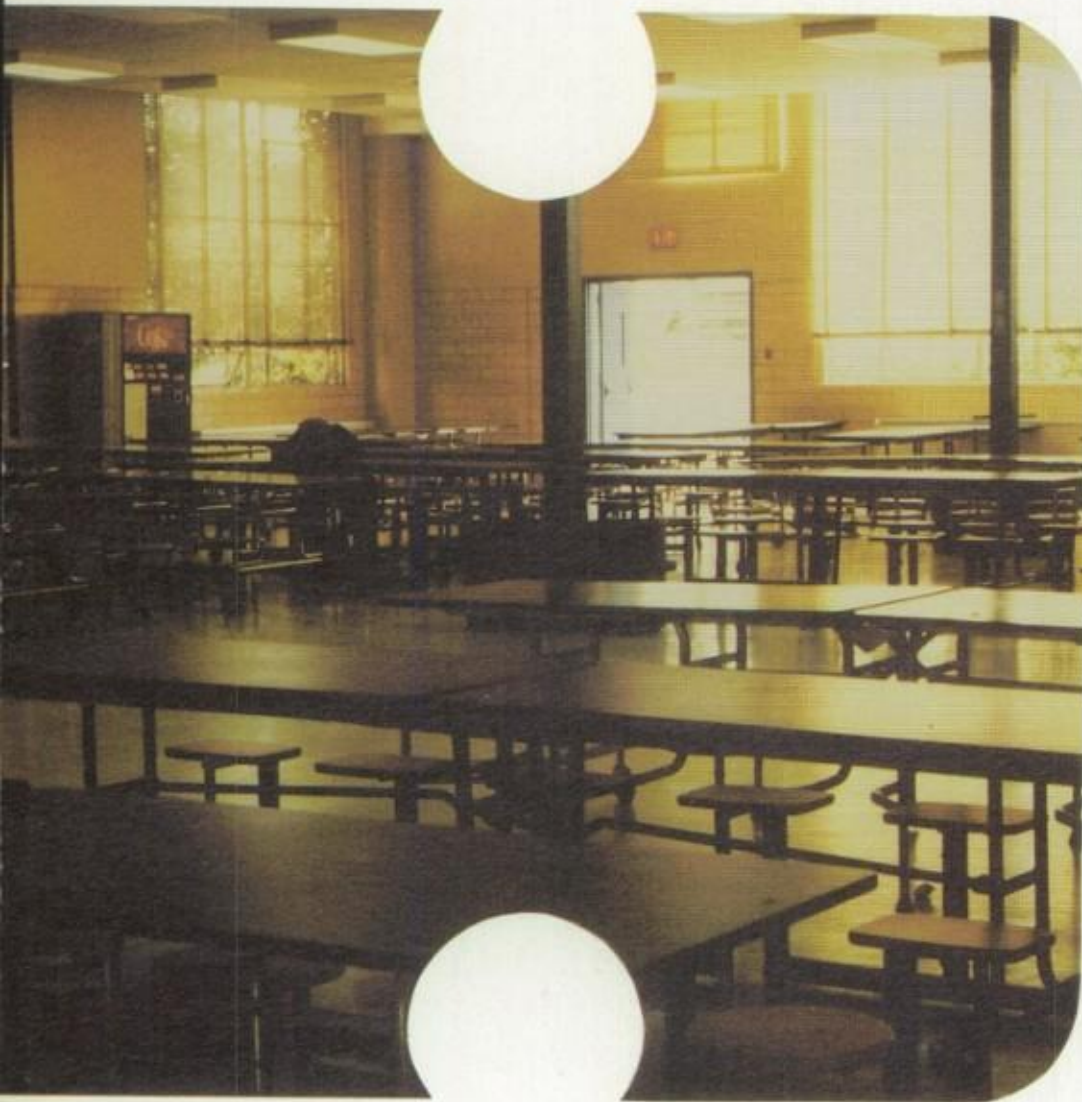

ACADEMICS

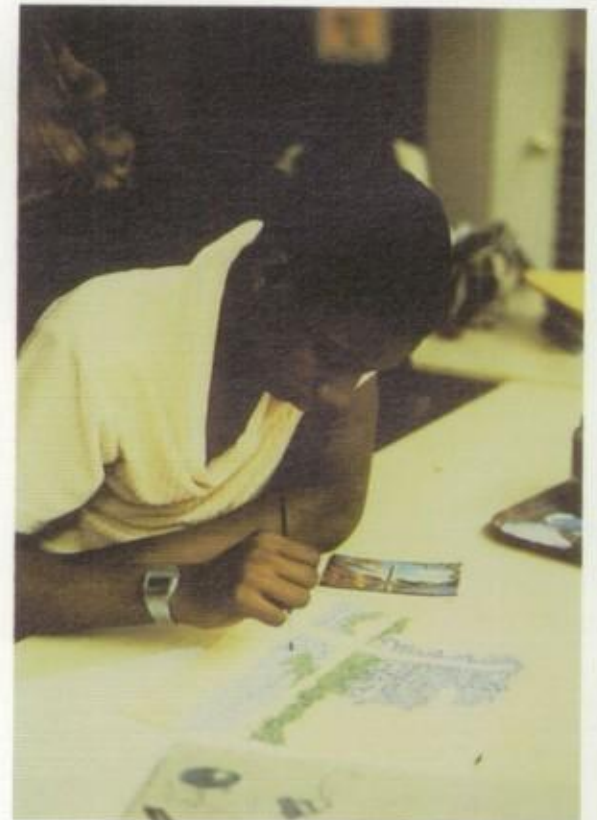

Academics are the most integral part of the Sherwood puzzle. Classes, books and studies are pieces of life here that belong to all of us. Administrators provide the guidance to help teachers do a better job. Teachers must be knowledgeable and prepared to fulfill the needs of every individual. Counselors help students set goals for the future. Students are able to nurture their curiosity and further develop their interests through course work, craft work, and on-the-job training. Being well-rounded academically is just as important as being physically and socially fit.

Classes range from the four required subjects of English, Mathematics, Social Studies, and Science, to a vast array of electives. Students must begin with the basics, but can advance through higher level specialized courses such as Calculus, Computer Science, Physics, Chemistry, and Advanced Placement in English and Social Studies.

Elective courses such as Art, Music, Drama, Home Economics, and Journalism provide an outlet for creative growth. These subjects are available for the novice to the expert who might have designs on a future in the field of aesthetics.

Other curriculum choices include Business and Vocational Education. Business courses such as Typing supplements the student's ability to succeed in college or in an office atmosphere. Vocational offerings such as Printing, Woodworking, Auto Mechanics, Health Occupations, and Horticulture give the student the necessary tools to begin a career in those fields.

The final pieces of the Academic puzzle are Foreign Language, Driver Education, and Physical Education. Each of these courses enriches a student's life. While grades are an important aspect of our academic life, a broad understanding of the basic ideas in all subjects make the student a better person and the puzzle, that is Sherwood High School, easier to put together.

SPORTS

Just as the pieces of a puzzle are joined together to complete a picture, it is necessary for each member of an athletic team to join with his teammates to become one, unified in spirit and desire to gain that all-important victory.

Sports help to complete the school life at Sherwood. Though everyone is not a participant, we are all boosters. Through spectator support, each team is pushed to perform at its very best. A winning season results in school pride and at Sherwood we can be proud of our overall winning percentage which ranked number three in the county last year.

Coach Stroup looks on in anticipation.

Sherwood takes over the football again.

The girl's field hockey team plays another good game.

Many of Sherwood's students are involved in the athletic program. This is due to the great variety of competitive sports offered and the many dedicated coaches who spend countless hours developing each student's potential. Through rigorous training, strong discipline, and the teaching of necessary skills and strategy, members of Sherwood's sports teams can better themselves mentally, as well as physically.

From one season to the next, Sherwood continues to prepare students for life, and along with academics and activities, participation in sports is another important piece of the puzzle.

Sherwood's JV cheerleaders definitely have spirit.

SHERWOOD HIGH 1955

Every puzzle has to have a beginning, a framework or border from which all the remaining pieces can be joined together. This year Sherwood is celebrating its seventy-fifth year as a Montgomery County Public School, but the framework that is Sherwood goes even beyond 1906.

Approximately 125 years ago, Mr. Rush Roberts decided to rename his land. The property, presently consisting of Ashton, Sandy Spring and Olney, had so many trees that Roberts dubbed it "Sherwood", after Robin Hood's famous forest.

In 1883, a one-room Quaker meeting house was built in this Sherwood Forest and it soon became known as Friends School. The expense of a private school (up to \$100 a year) limited the enrollment, so in 1906 a new two-story building was constructed and became Sherwood Free School, the third public school in Montgomery County. Consisting of grades one through eleven, the elementary students were housed on the lower level and the high school students upstairs.

As the area became more populated, there was a need for additional space. Consequently, a second building was constructed, which became Sherwood Elementary School.

By the late forties the original Sherwood Public School was deemed unsuitable and plans were underway for what is now the present structure. In 1950, ground was broken and the cafeteria begun. Five years later the new building was dedicated. A girl's gymnasium was also built to replace the now-condemned 1906 Sherwood Building.

During the 1970's, the entire structure was remodeled and the new girl's gym and the Ertzman Theater built. Today, our only visible link to the past is the Sherwood Public Library which is the original Friends Meeting House of 1883.

From the two graduates in 1908 to the 321 in the class of 1981, free education has been a part of our lives. **Happy 75th Birthday, Sherwood High.**

A LOOK at the PAST

Sherwood's first uniformed baseball team, from the 1930's.

The 1947 Football Team-Row I, #4 is Cheryl Carr's father, Artie; #7 is Cheryl Derrick's father, Warren, who was the team captain; Row II, #5 is Mr. Conner, Sherwood's present Driver Education Instructor.

It was during the month of January (1938) that the students and faculty of Sherwood High School got their first glimpse of what was destined to become the greatest Ping Pong team in the history of the school. Due to the sensational playing of Bonifant, Hallowell and Gill the Sherwood team was enabled to establish an amazing record of three losses in three starts. The boys, proud of their accomplishments, want it known that this record has never before been equalled or surpassed in the long history of Sherwood. However, we can understand this, inasmuch as this was Sherwood's inaugural year into interschool table tennis competition.

The great paucity of matches was due mainly to the fact that interschool competition, in the sport of table tennis, has been just recently organized.

Although the Sherwood girls did not organize a team Jo Crum and Betty Cissel did compete in and incidentally, won a tournament at Silver Spring and played many intramural games at Sherwood.

In a interview with 1925 graduate, Mr. Stanley Stabler, the Leaves Staff came across some interesting facts about Sherwood of yesteryear. Did you know that:

Eleventh graders were considered Seniors in the early 1900's

Boys, did indeed, dip girl's pig tails in the ink wells

It took one hour to get to school from Brookville by horse and buggy.

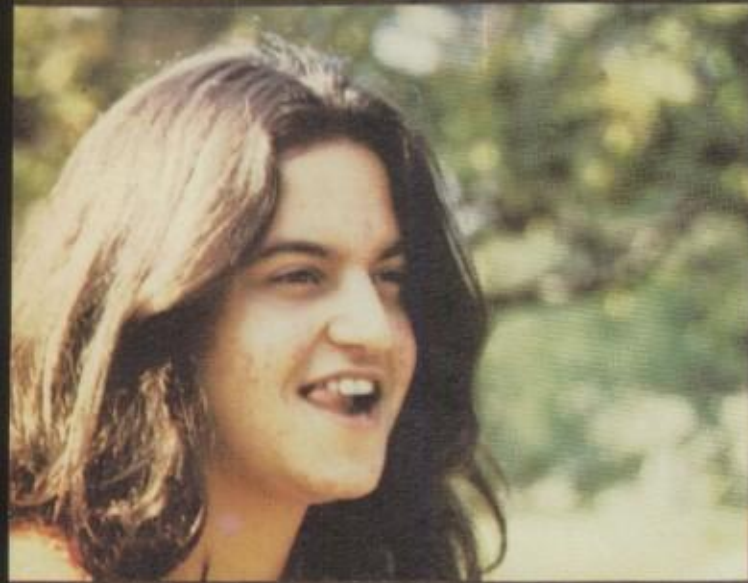

Before school busses, the county paid each Senior \$2.50 a year for every student he picked up by car and took to school.

Until 1960, football games were watched along the sidelines because there were no bleachers.

The present Sherwood High stands on the ground that was once the football field.

Dear Seniors:

The past four years have been filled with precious memories as well as some we would rather forget. Class trips, talks with friends, falling in and out of love, dances, food fights, sports, weekends, finals . . . the list goes on.

We have made friendships that will last a lifetime and, on the other hand, there are people who we will probably never see again. As these final days pass before graduation, remember the good times, but most of all, remember Sherwood High School.

Sincerely,
The Senior Staff

MERIT SCHOLARSHIP

SEMI-FINALISTS

The National Merit Scholarship is an honor given to students who take the PSAT/NMSQT. Signe Peterson, Beth Welch, Mike Bowman and Randy Kaylor all qualified as semi-finalists by ranking in the 99 percentile. The scores are determined by doubling the verbal score and adding the math score. A total of 240 points are possible. The scholarships are sponsored by big corporations such as IBM, Atlantic Richfield, and Control Data Corporation. The yearbook staff congratulates these four semi-finalists on the fine job they have done to receive such a high award.

Todd Crown

David Repass applauds team action.

The Junior Varsity Football Team showed a remarkable improvement over squads from previous years. Although the team's record was 3-5, two of the losses, to B.C.C. and Damascus were close and could have been reversed with a few good breaks.

Lead by Quarterbacks Steve Parker and Joe Neidermair, the team provided many exciting moments, especially during the Woodward game, which started the season on a winning note.

BOOTERS PUT THEIR FEET INTO IT

Last minute instructions.

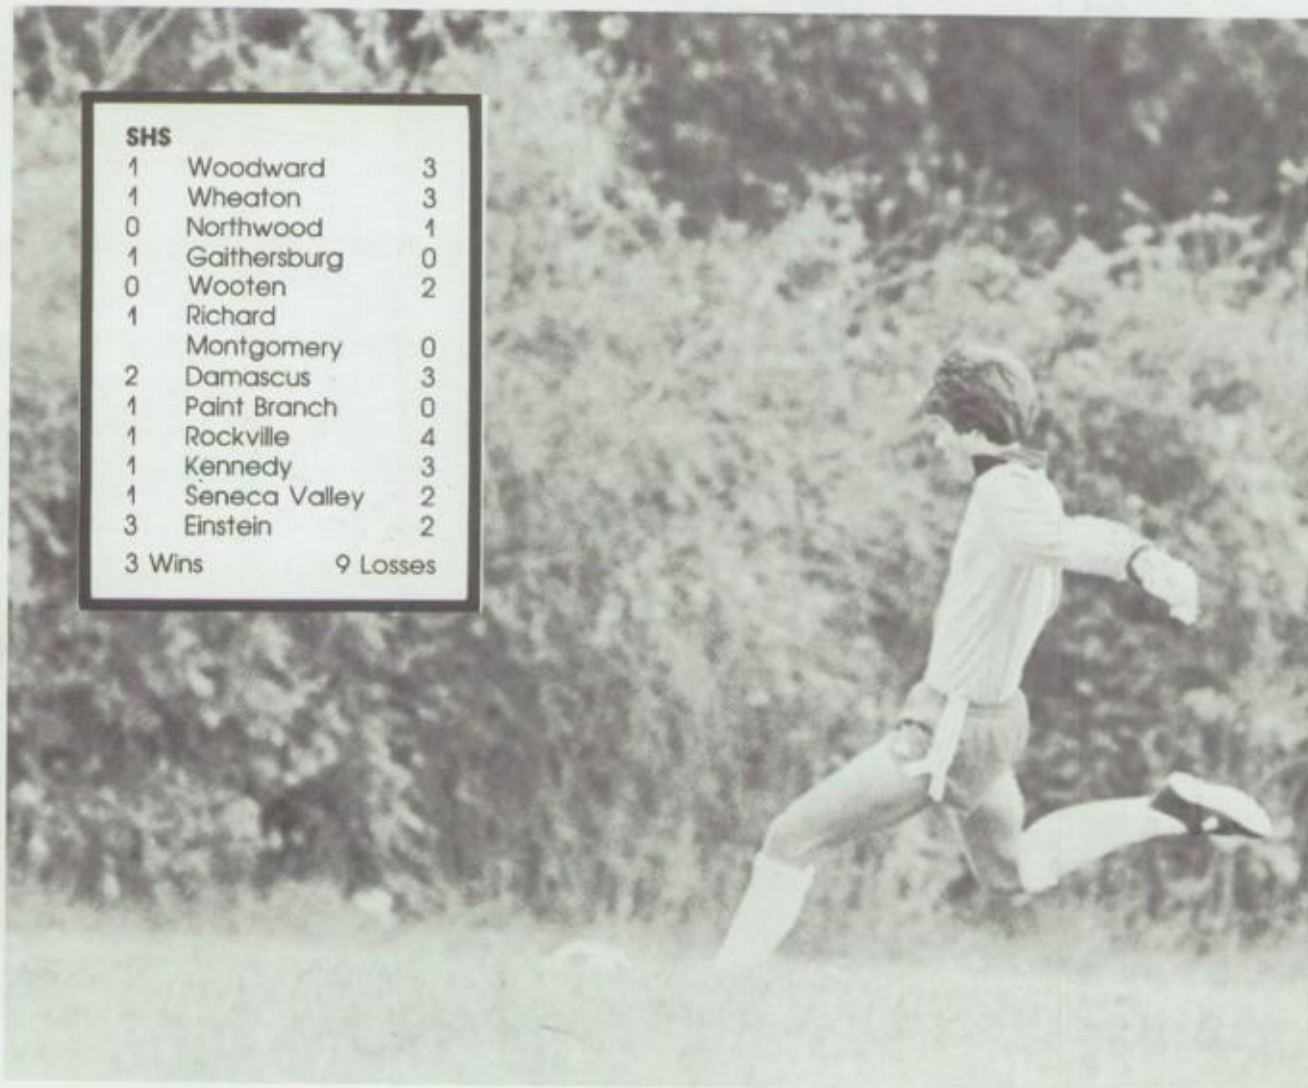

John Marucci concentrates on getting to the ball before his opponent.

The Soccer Team was forced to rely on determination and the willingness to improve as the season progressed. Returning lettermen Eric Johnson, Jim Edinger, Bill Overman and Pat Whalen provided the team with experience and leadership, as most of the players were new to the Varsity Squad. With the hardwork and everyone's tremendous attitude this year's success would be measured by individual and overall team improvement, rather than by record.

Joshua Dinerman airing his skills.

A 4-6 record was not indicative of the teamwork displayed by the Junior Varsity Soccer Team this year. Lead by top scorer Mark Miller with five goals, the team lost several close games which could have easily reversed the season's record.

Midfielder, Chris Walker displayed leadership qualities by providing support for both offensive and defensive players. Vinson Valega was prominent in the goal area with many saves. The team finished the season with a final victory celebration over Seneca Valley, 2-1.

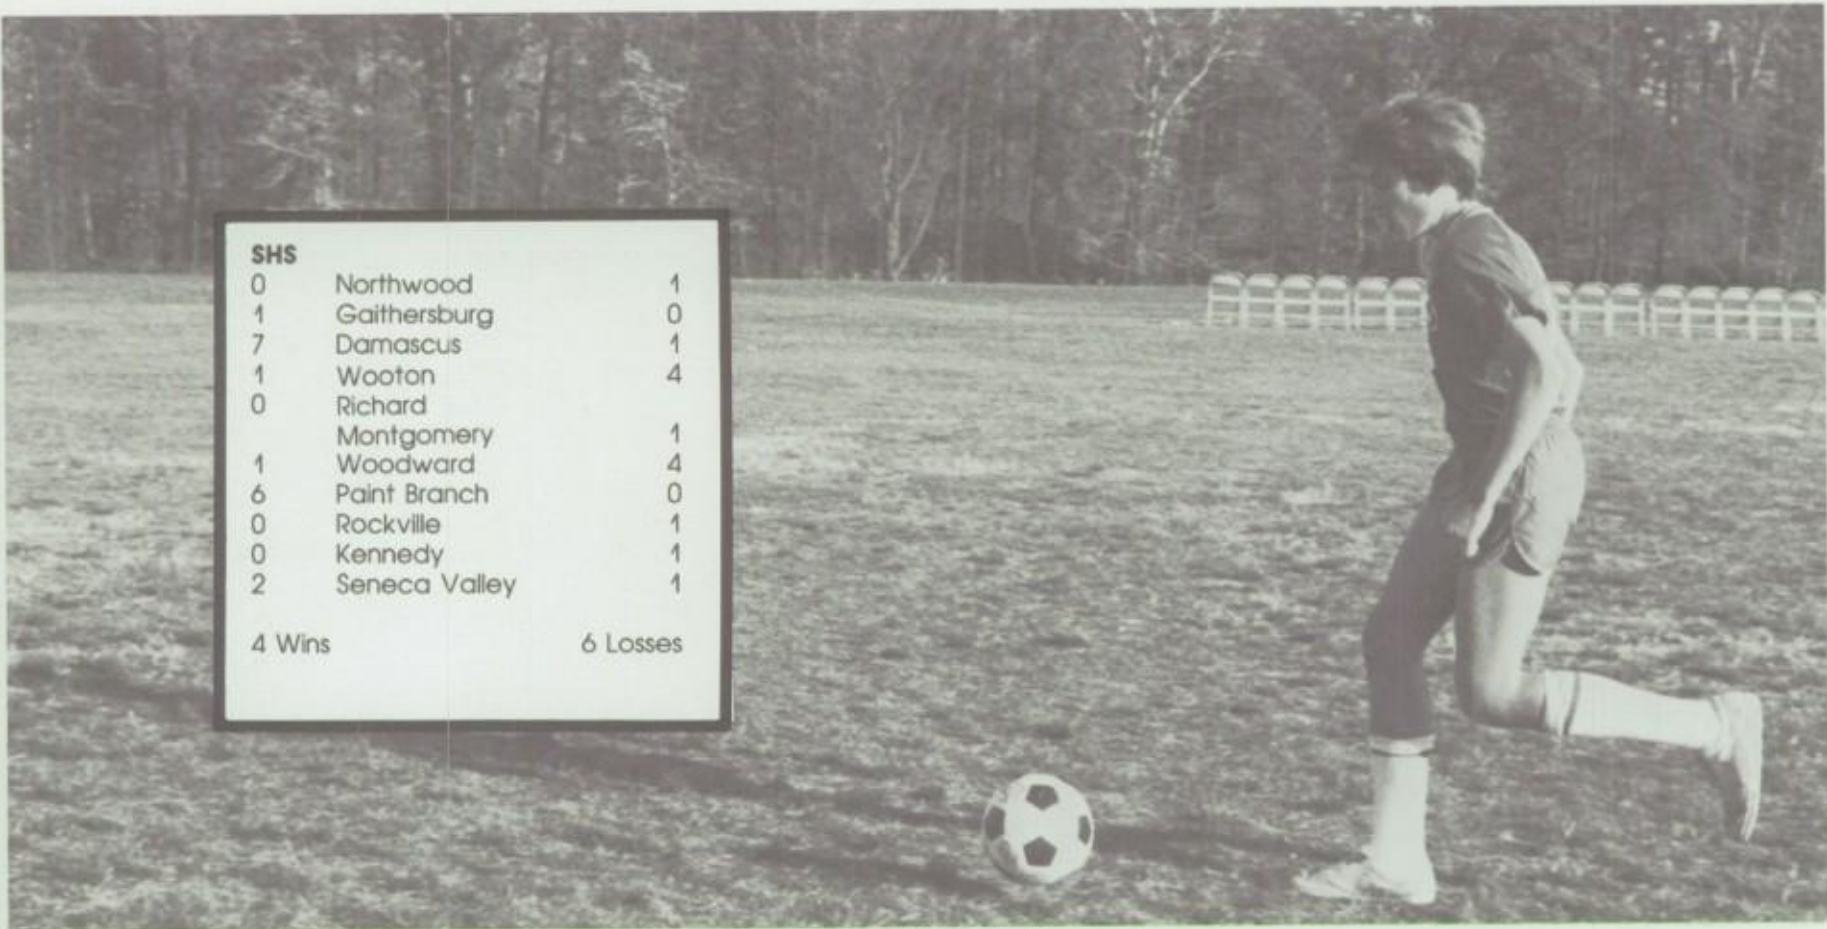

Skills are underfoot with Greg Meyer.

Winning wasn't necessarily the driving force in this year's Varsity Volleyball program. The important factor was the desire to work together as a team. The competition was extremely tough and the losses far outweighed the wins, but the girls didn't let that get them down. They were aggressive in every match and never lost their spirit, which prompted Coach Ondrasik to remark, "this is the most unique team I have ever coached."

Finishing seventh in the overall standings, Mike Chaconas said, "The four man team worked together and combined their efforts toward the States." Another large contributor was Jimmy Carter, who placed second in the individual standings.

ON THE RIM OF VICTORY

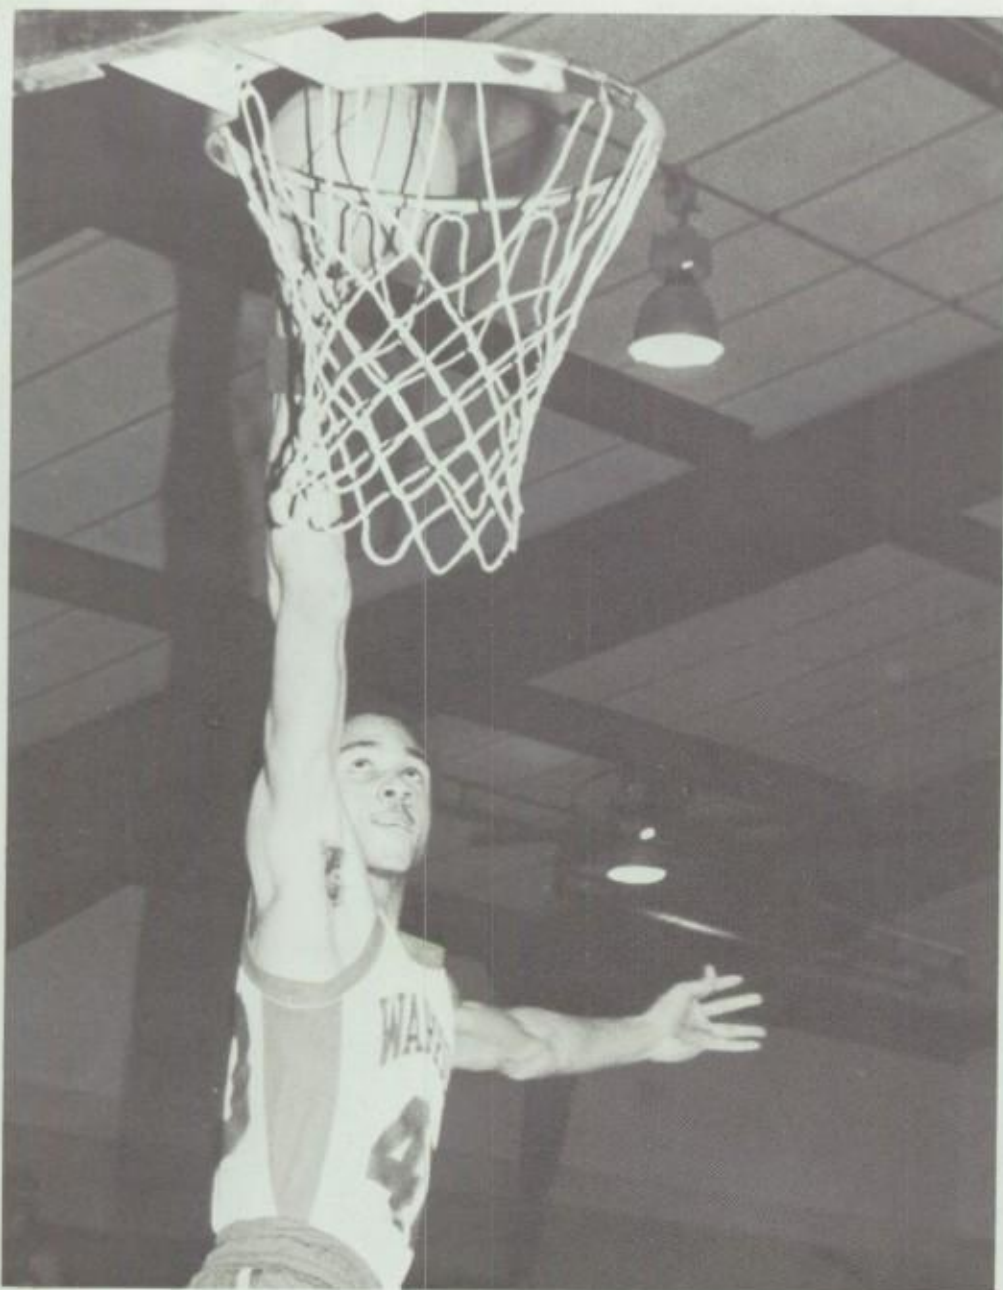

Row I: Coach Laughner; **Row II:** G. Knill, G. Flournoy, P. Wiley, W. King, C. Thomas, M. Hill, M. Clipper, P. McLaughlin, B. Ward, R. Matthews, W. Reed, R. Roby

Walter King seeks an open player.

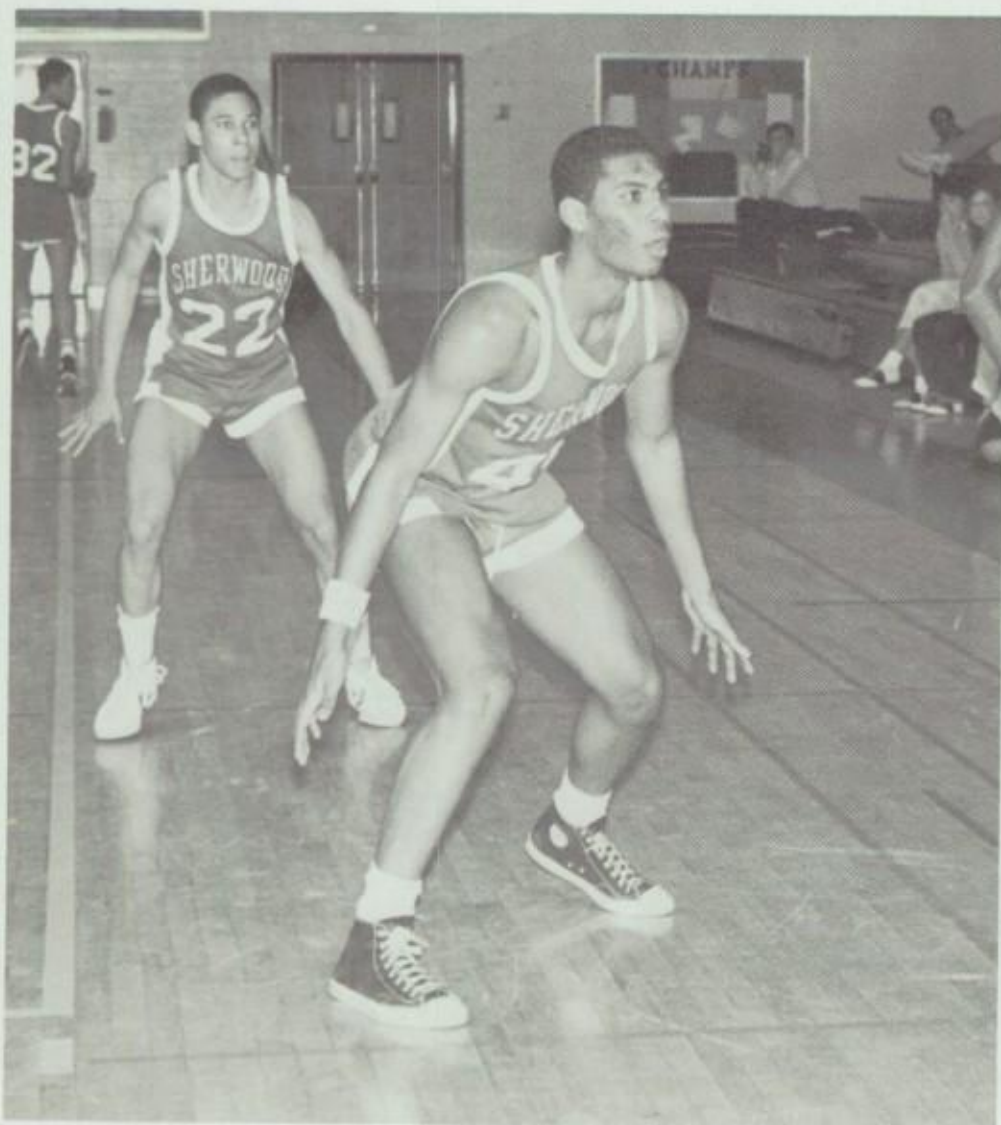

Charlie Thomas dodges Wheaton's defense.

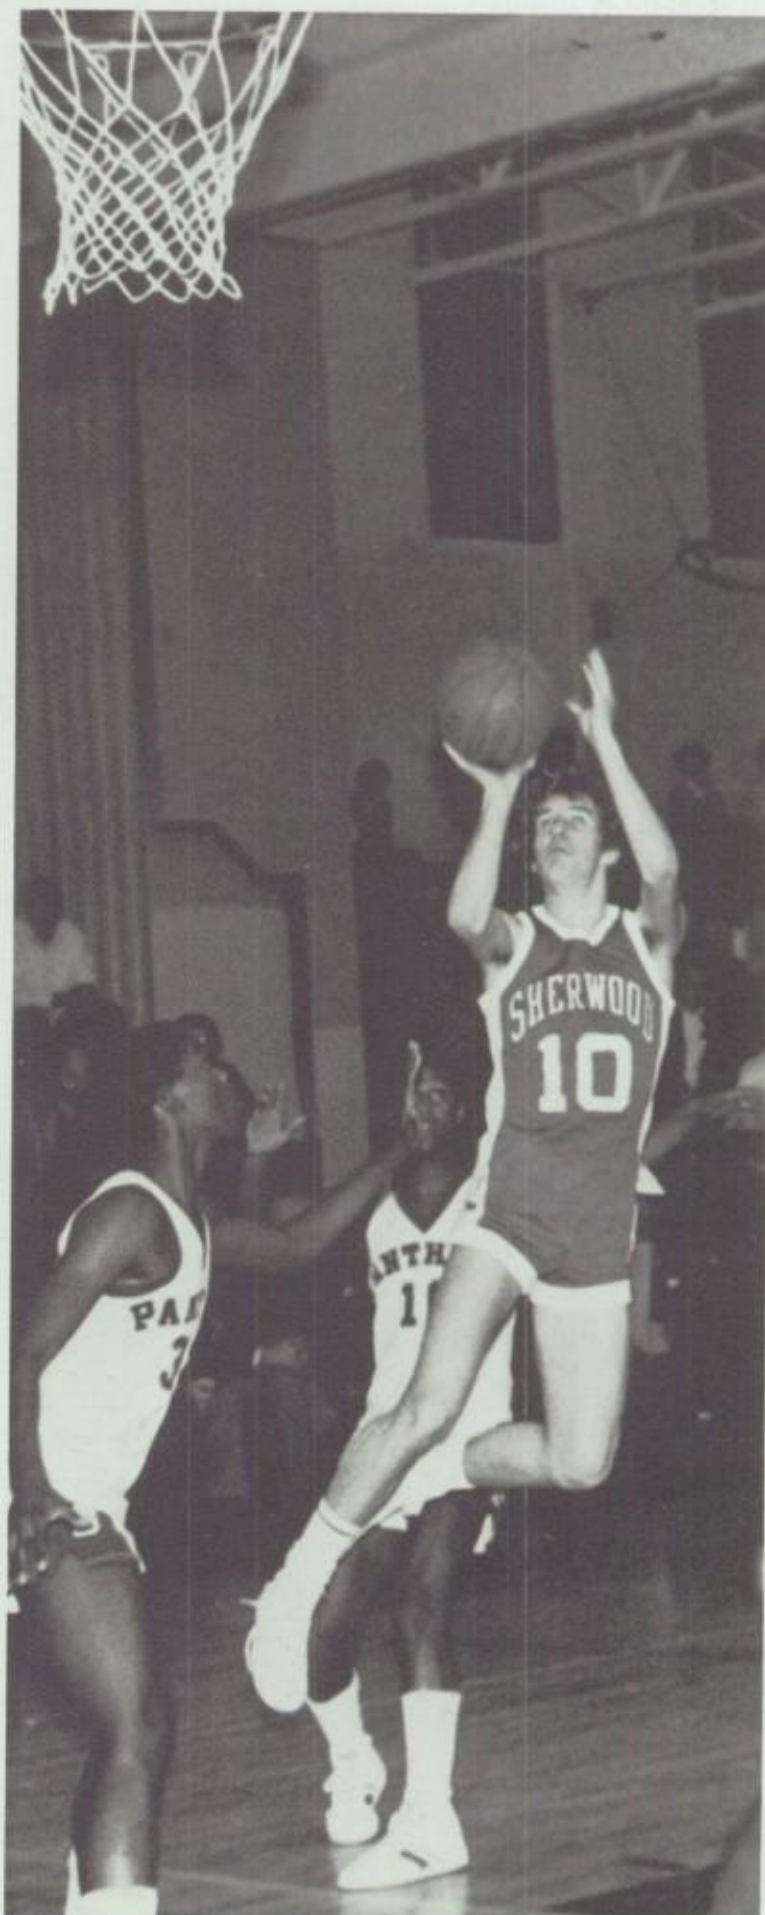

Chuck Preston dunks another basket.

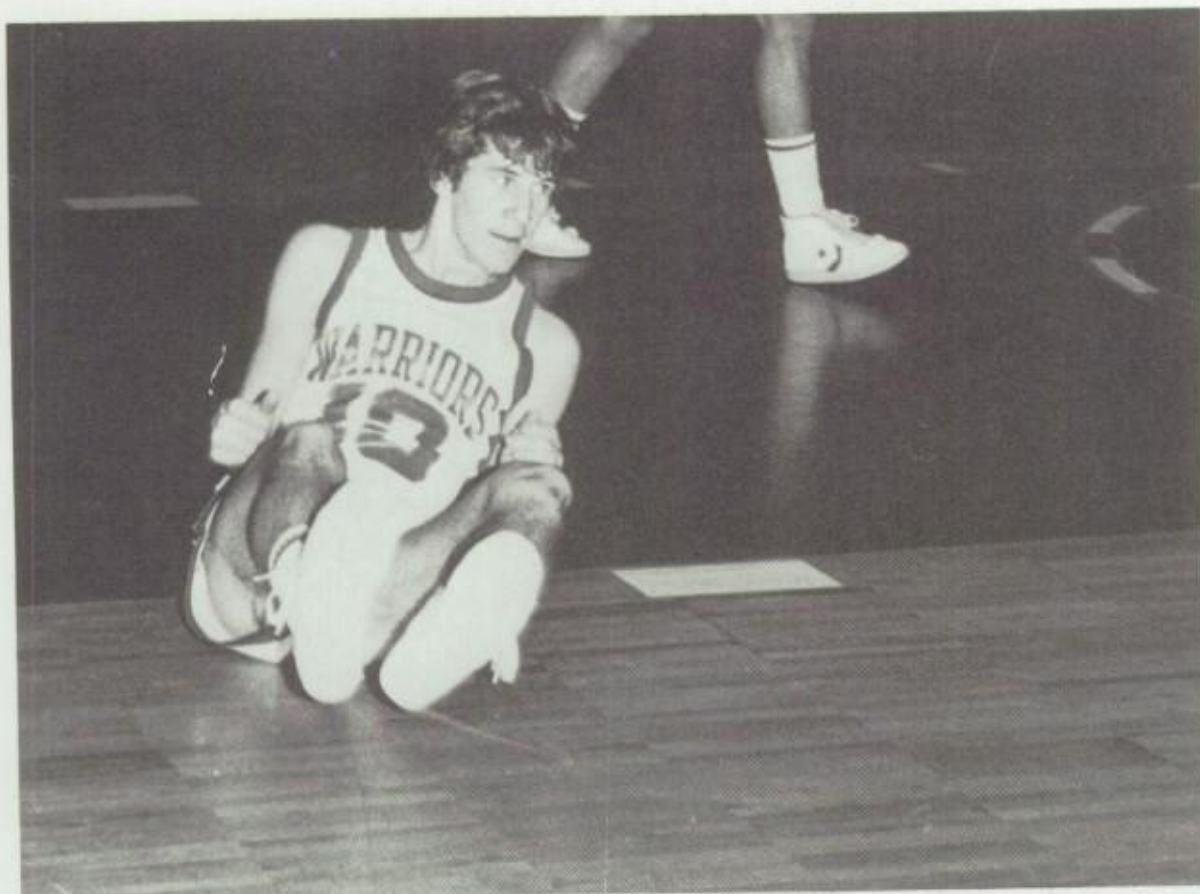

During the 1950's, Sherwood's single game scoring record of 44 points was established. This year, Junior guard Wayne Reed broke that record with a total of 45 points. Wayne established the new standard with just 12 seconds left in a game against Wheaton, won by the Warriors, 90 to 80. The high-scoring guard made 14 of 21 shots and 17 of 22 free throws on route to the record. Wayne scored a total of 502 points during the season, an average of 23.9 points per game.

Morris Clipper and **Ricky Matthews** crouch in defensive apprehension.

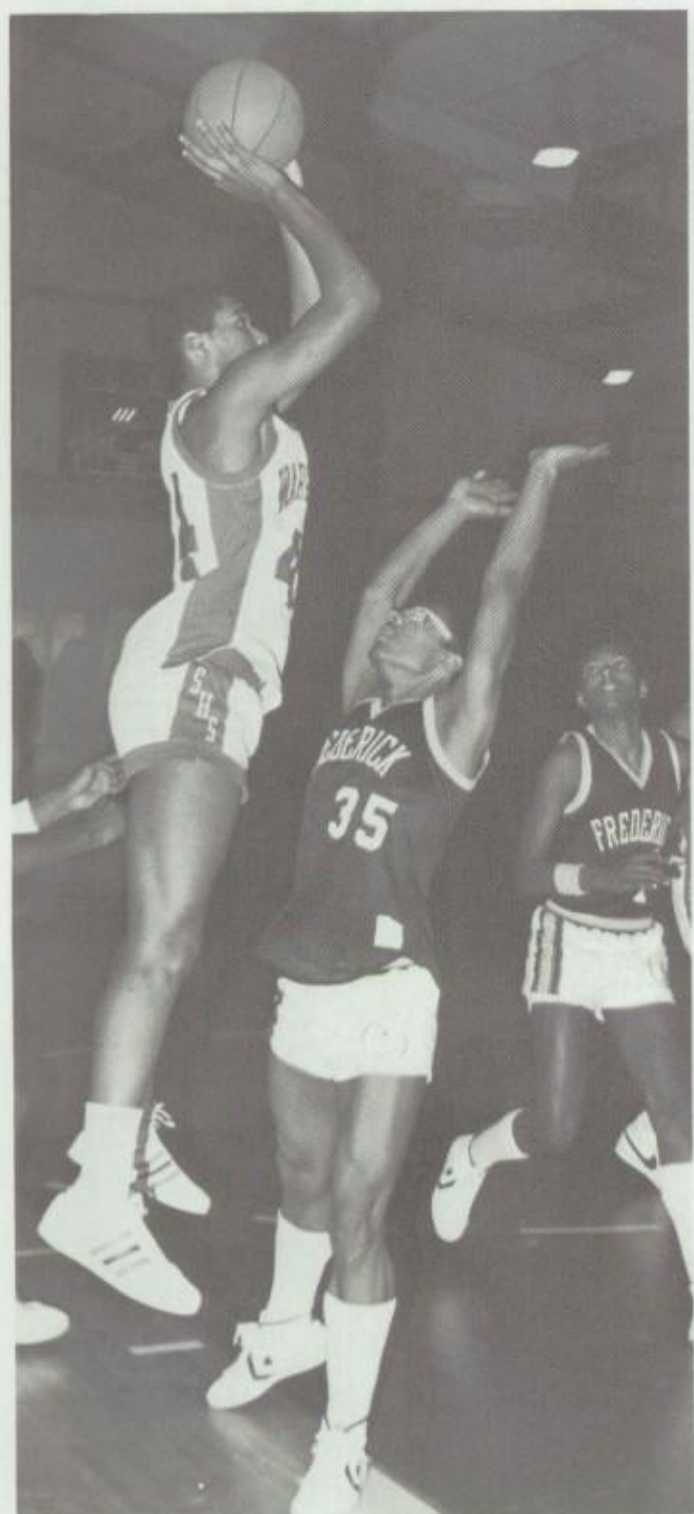

Greg Knill leaps for two.

Greg Knill coming in for a landing.

"The Varsity Basketball season could be characterized as cardiac arrest time", quotes Coach Laughner. Many of the games were decided in the closing minutes, as the young squad battled through difficult games. Time and again, the team faced stiff competition, and nearly every game went down to the wire. Unfortunately, of those close games, Sherwood came up on the short end more times than not and finished the year with a record of 8 and 14.

Sherwood was led by three veteran players; Senior, Walter King, and Juniors, Wayne Reed and Maurice Clipper. The season produced another first, as Freshman Charlie Thomas became the only 9th grader ever to start on the Varsity Team.

Maurice Clipper rises above the opposing team.

Wayne Reed focuses in on a foul shot.

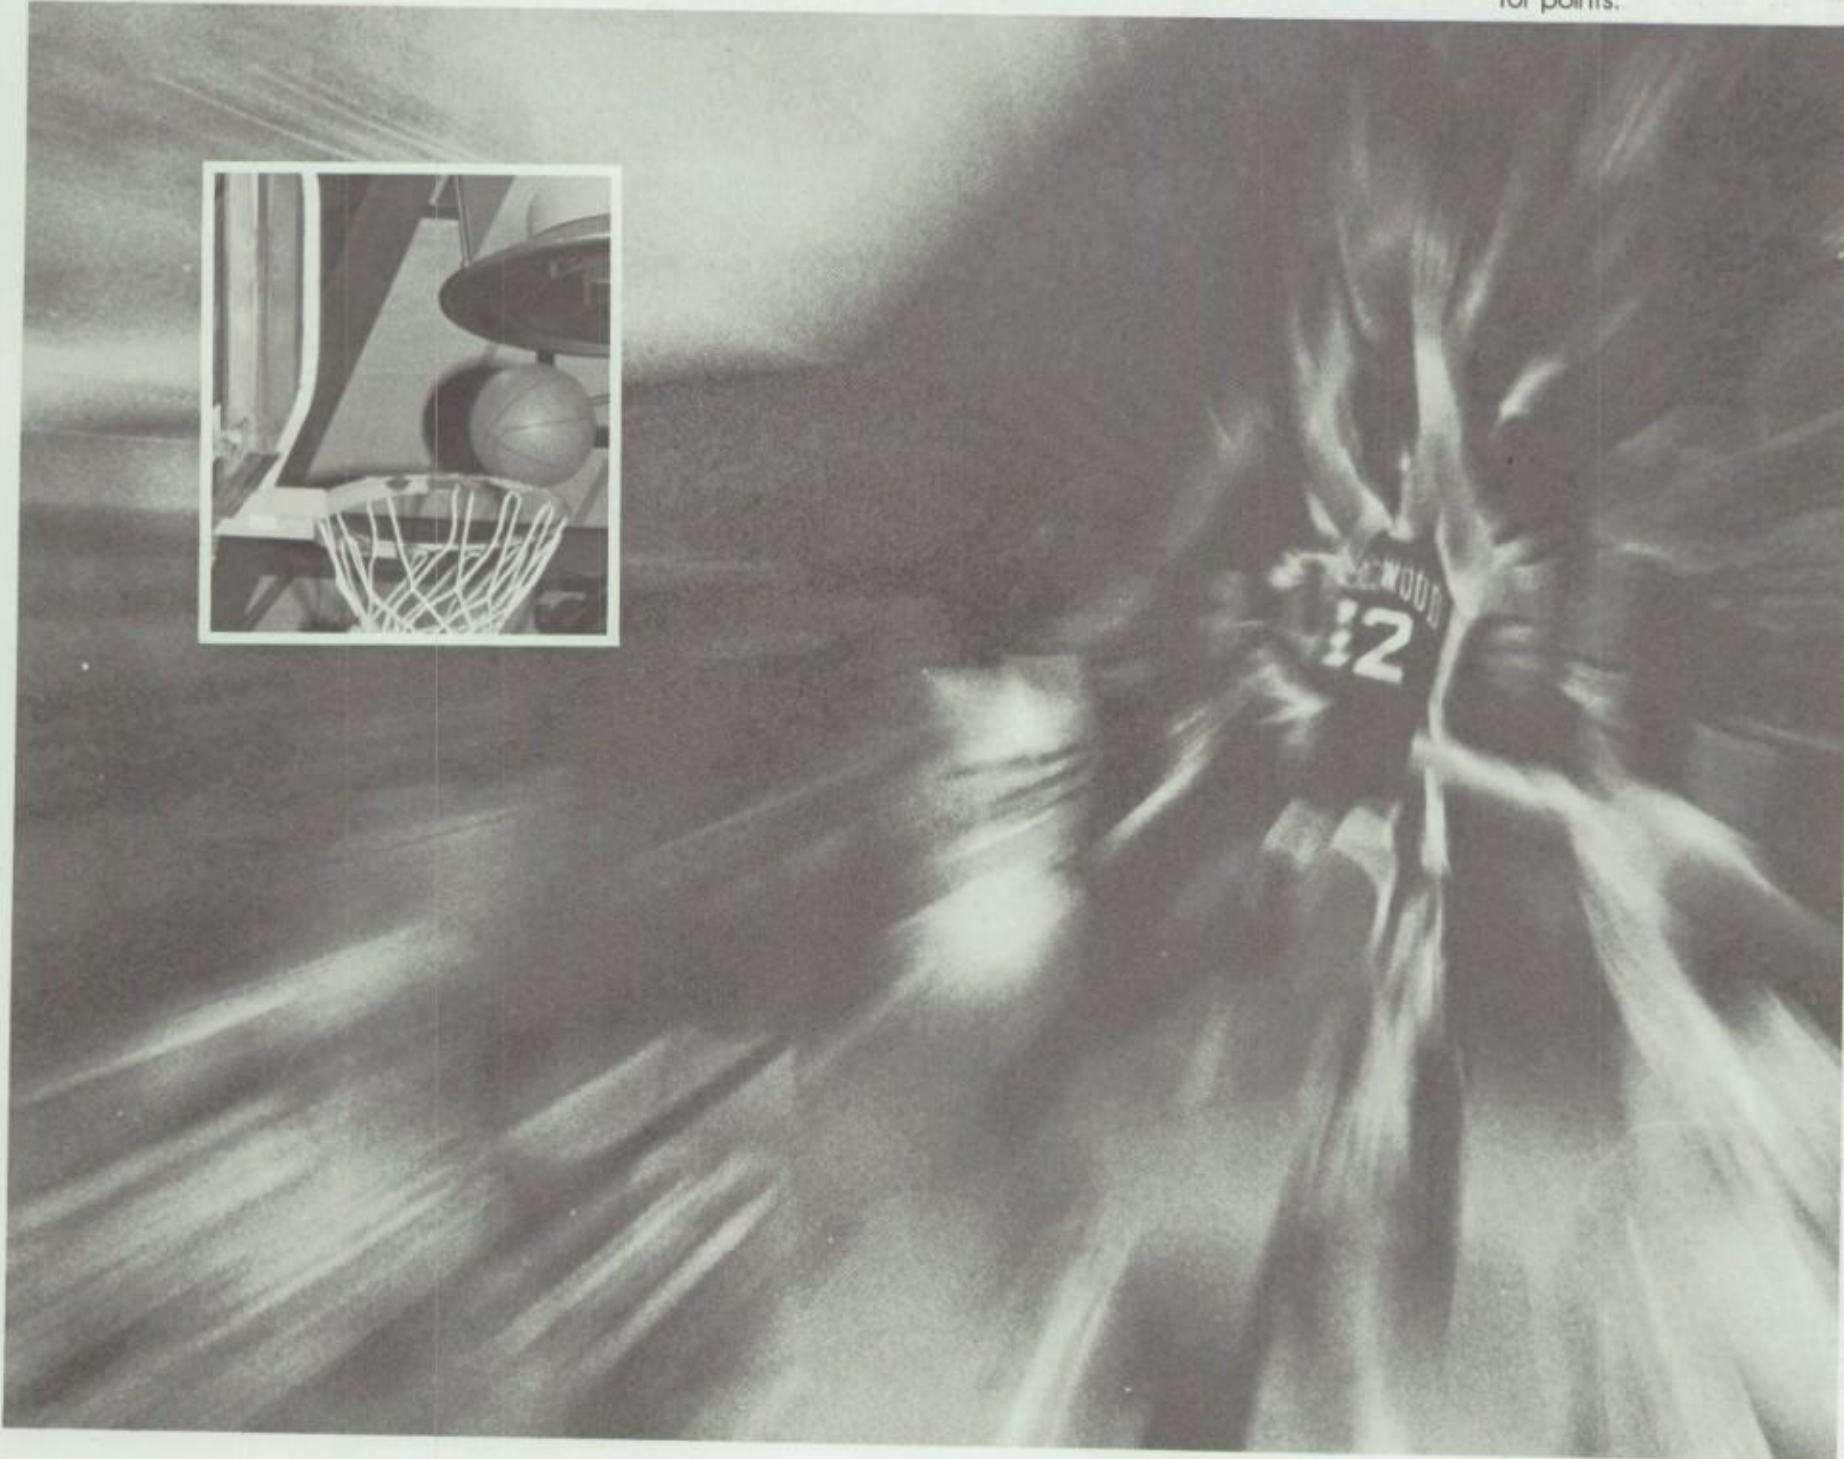

Walter King makes another basket.

Ricky Williams pulls down a rebound.

Kerry Petropolous has an uncontested shot.

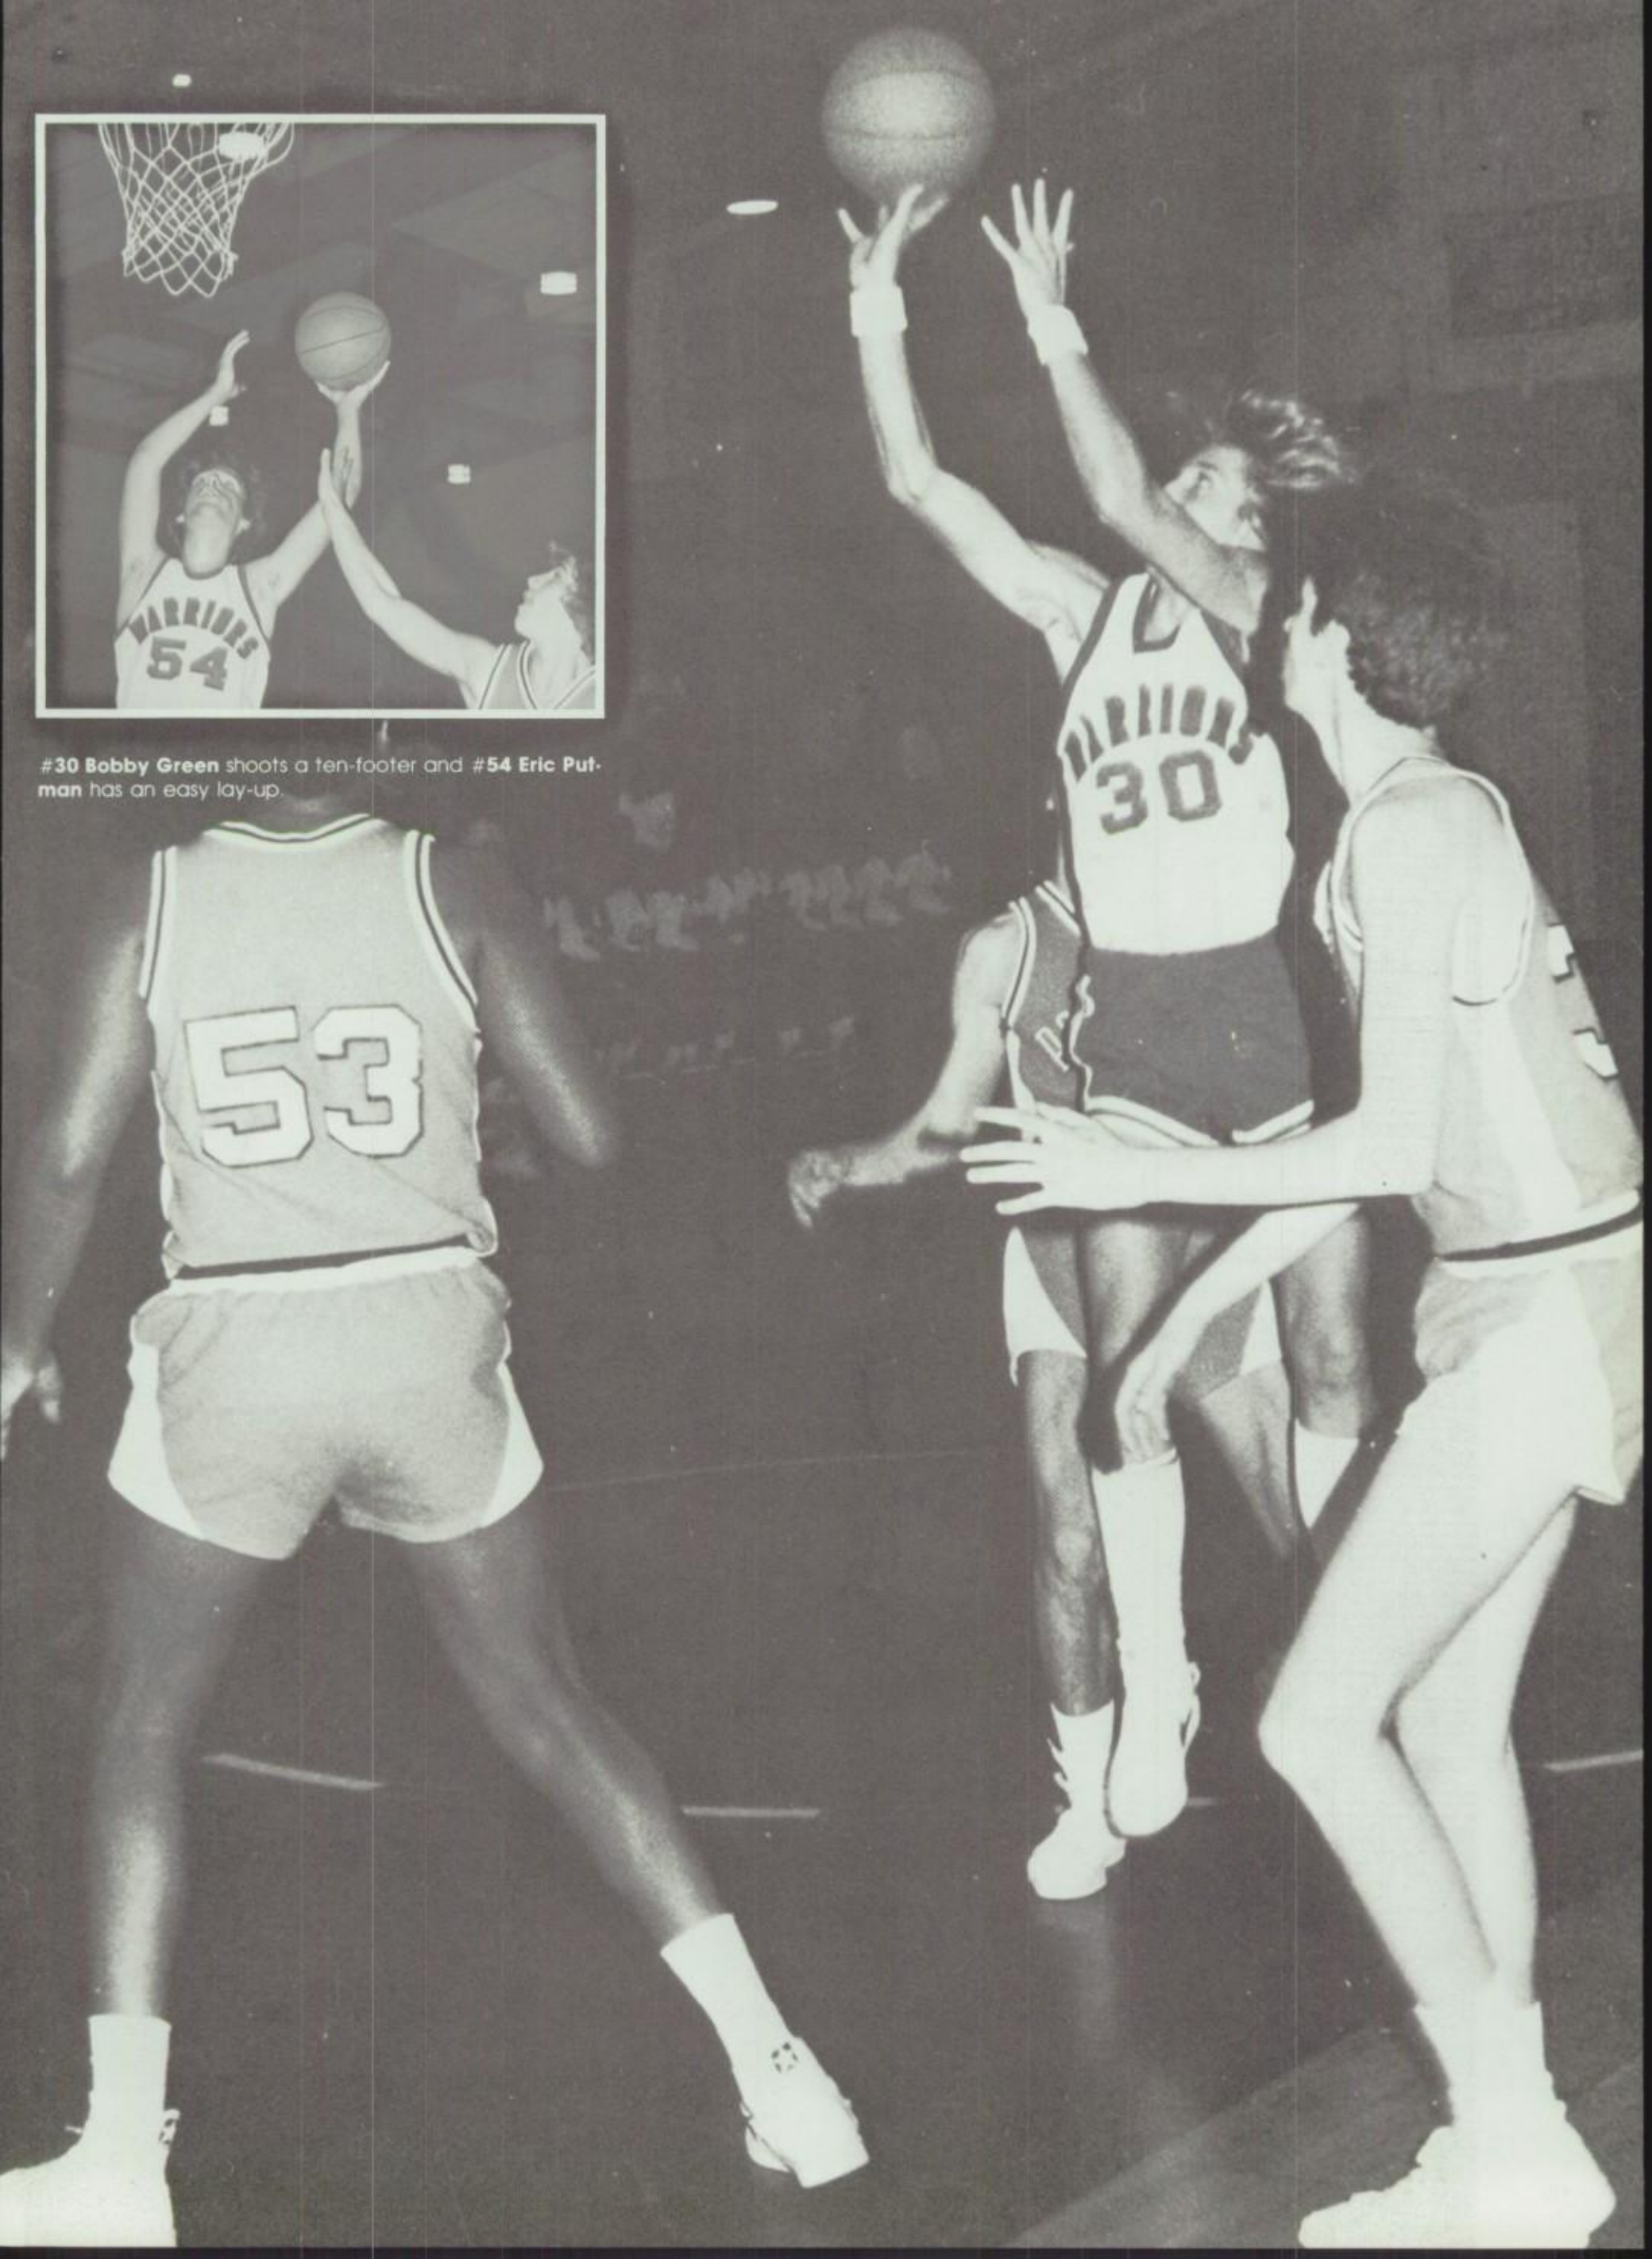

The success of this year's Junior Warriors can only be judged in future seasons. Each player on the team worked to improve his skills and to learn the "Sherwood System".

The highlight of the season was a thrilling victory over a powerful team from Loyola of Baltimore. Also, the "little Warriors" came in second place in the second annual Sherwood Invitational Junior Varsity Tournament.

#30 Bobby Green shoots a ten-footer and #54 Eric Putman has an easy lay-up.

The 9th Grade Boys Basketball team, coached by Mr. Seymour, did an exceptionally fine job this year. Every player gained valuable skills through the equal amount of time they spent on the court. This year they finished 3-5, winning over Magruder and Richard Montgomery twice.

Rob Lynham lines up a shot.

The Girl's Varsity Basketball Team had a very good season, as they finished among the top twenty girls' teams in the Washington-Metropolitan Area and went to the State Playoffs.

Leading the team was Senior Katie Jenkins, who took top scoring honors in the county.

Although the team does not have many tall players, they have more than made up for it in passing, shooting, and rebounding.

Coach Crutchfield describes his team in the following manner: "They are strength born of weakness and togetherness. Courage born of fear and respectability. Always battling the adversity of life; learning to excel under all extraordinary circumstances."

Jean Flaherty (20) and Justine Miller make a good steal.

The Junior Varsity Girls' Basketball Team completed a highly successful season with an impressive 13-2 record.

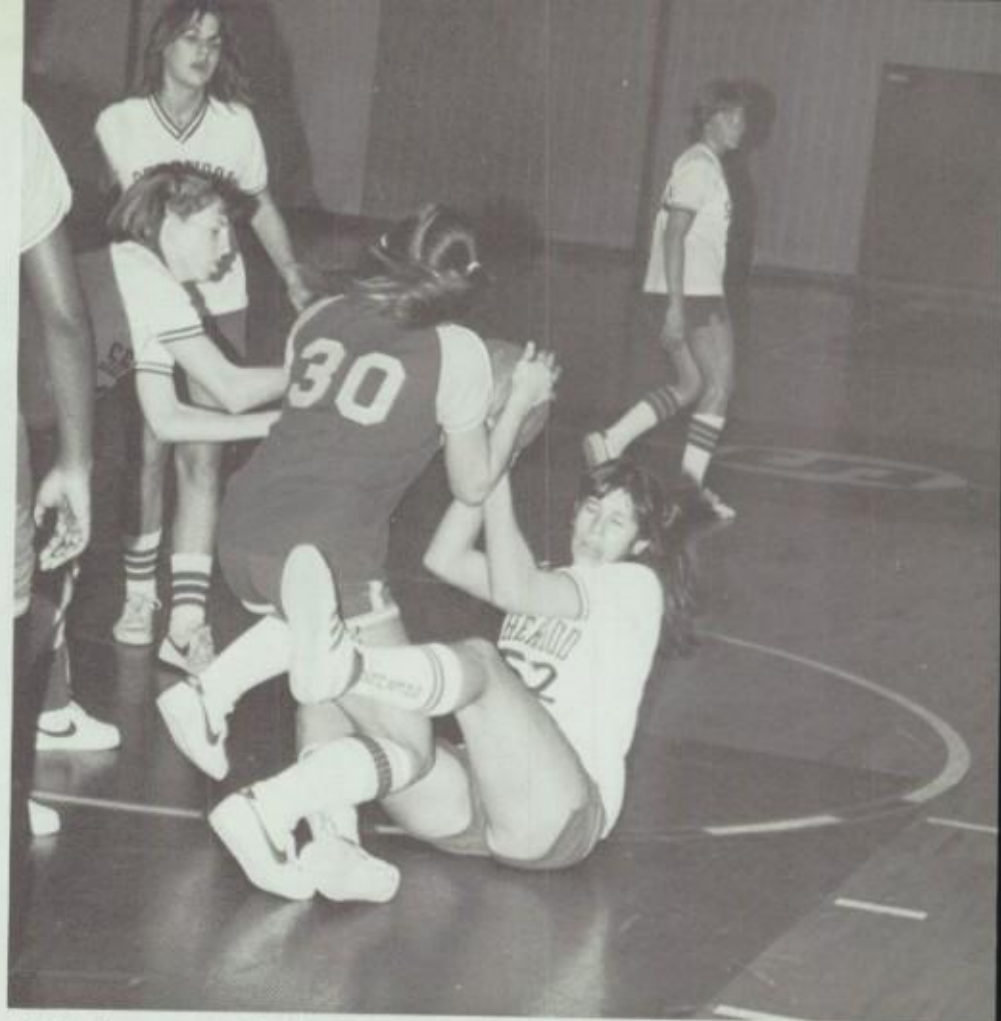

There were many exciting games, but most notable was an overtime victory against Rockville, which went into overtime, 51-46, and the final game of the season against Woodward. Earlier in the season, Woodward had defeated the Sliders by a score of 48-17. They remained undefeated, coming to Sherwood for a second game, with a 16-0 record. Seeking revenge for their previous defeat, the Sliders played an excellent defensive game, handing Woodward their only loss of the season with a score of 36-35.

Anne McGirr and Denise Watson listen intently to Coach DeMattia.

Debbie Dooley stretches to make the basket.

Cathy Treacy and **Anita Doty** struggle for possession of the ball.

Dawn Sullivan sprints at the sound of the gun.

A quick handoff from Kristen Dyer to Carol Whelan.

Kristen Dyer, 2nd leg in the 2-mile relay.

Track requires endurance, speed, and discipline of its athletes. In addition, if a young runner is to find success, that runner must also acquire maturity and learn dedication. A loss must be seen as a learning experience, and not a final defeat.

This year's Indoor Team was different from past teams; for although young, the members made up in their determination for their lack of experience: they always made their best effort. So determined were five individuals and three relay teams that they advanced beyond regional competition to the state meet.

The measure of an athlete's success is the self-motivated desire to excel.

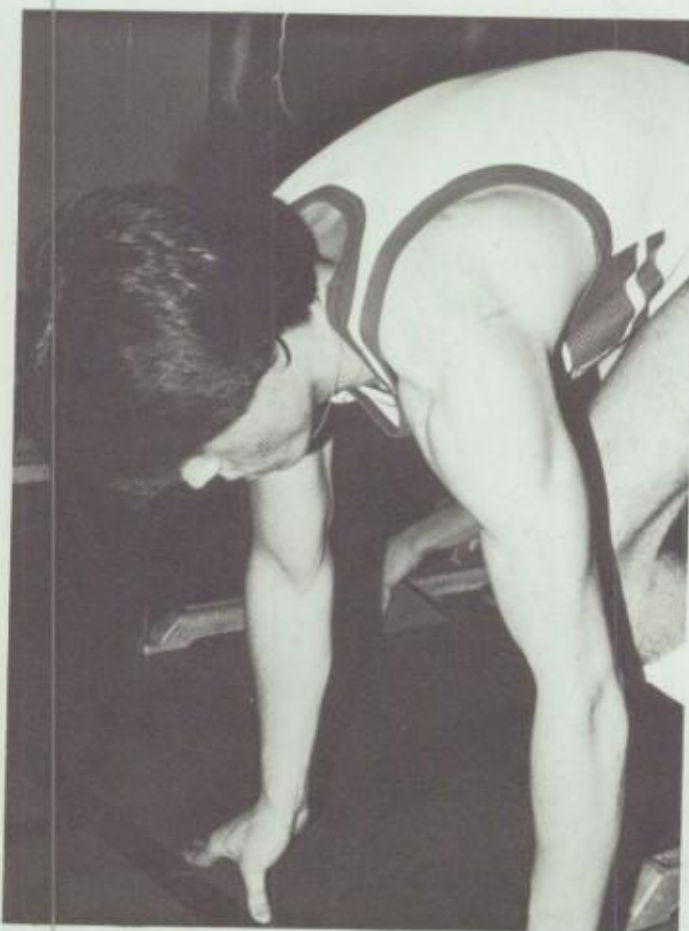

Kelley Dwyer, up and over.

Kim Powell rounds a corner in the 2-mile relay.

Kim Powell and **Carol Whelan** anticipate the start of the race.

Pearce, J. Terrell, G. Meyer, F. O'Donnell, D. Moran; **Row III:** C. Meyer, R. Miller, J. Krinsky, R. Cole, B. Wallace, B. Newman, L. Jones, M. Bliss, J. Wilson

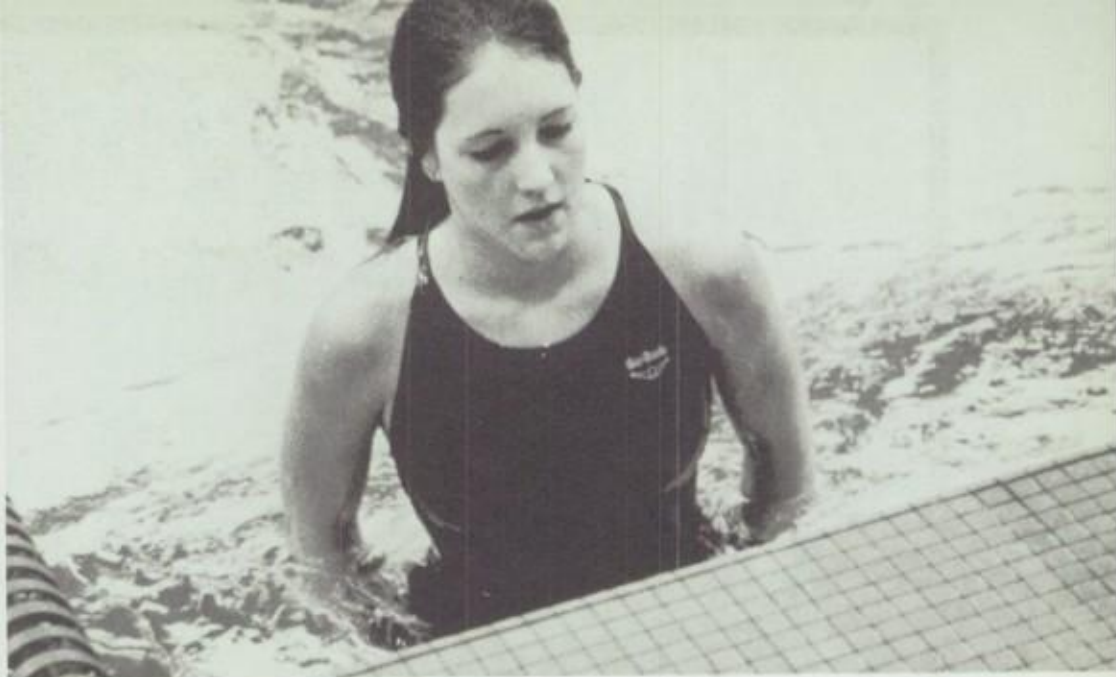

The Sherwood Swim Team, under the direction of Coach Susi Pully and Captains Richie Cole, Kim Meyer, and Frank O'Donnell, swam an exciting season. They worked hard to achieve their goals and succeeded in improving their strokes and working together as a team.

The girl's squad swam to a strong finish with a 5-3 record, while the boys were extremely successful in making their standings 6-2.

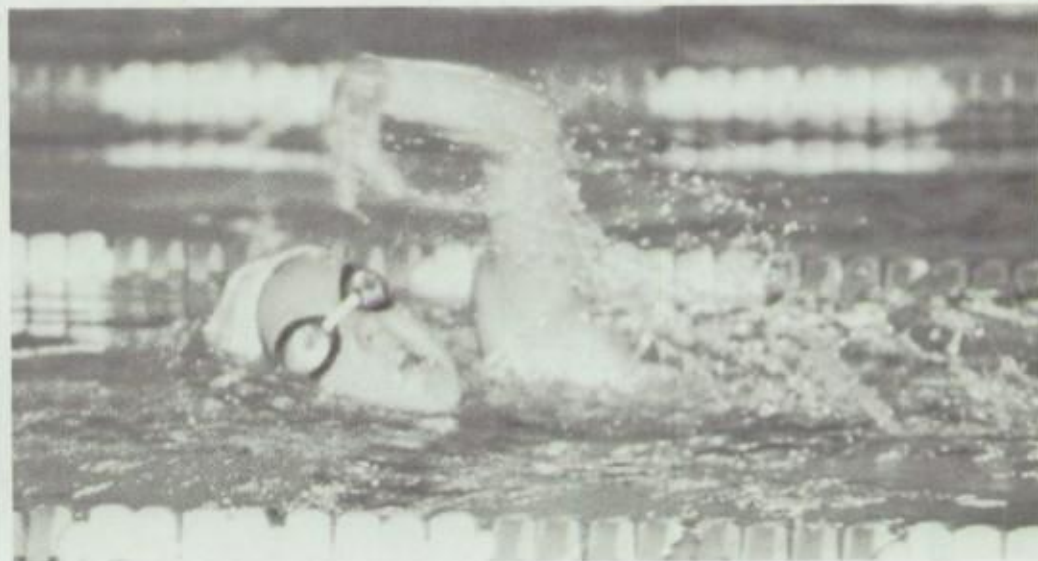

Through practice and dedication, Sherwood's Swim Team has become a strong contender in the county's Eastern Division.

John Woody takes a breath during the breaststroke.

Mike Shekletski pressures his man into a pin.

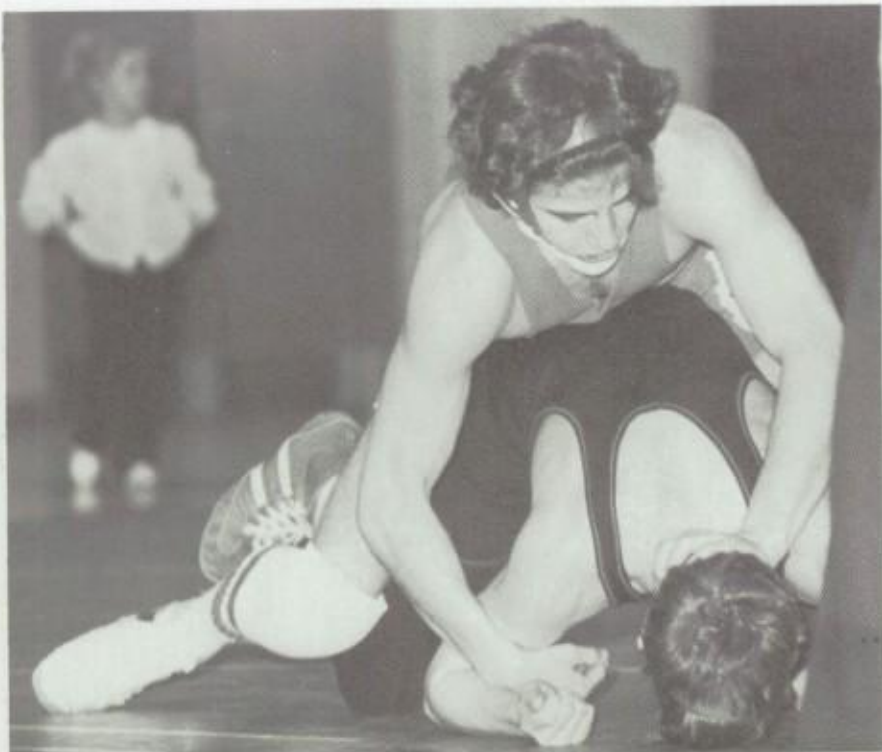

Allan Kreuzburg has a definite advantage over his opponent.

Led by Senior Co-Captains Rob Weekley and Mike Shekletski, Sherwood's Varsity Wrestlers finished its best dual meet season since 1969 with a record of 10 wins and 2 losses, which placed the team in 2nd place in the Montgomery County East Division. A major factor this season was the wrestling of Joe Kimble, Glen Newman, Tom Wheeler and Rob Weekley who all finished with unbeaten seasons. Dean Bichner only lost once, while Allan Kreuzburg and Mike Shekletski each finished with two losses. Other Varsity members include Brian Sprinkle, Rob Rogers, Kevin Menefee, Howard Hill and freshman standout Mark Shekletski.

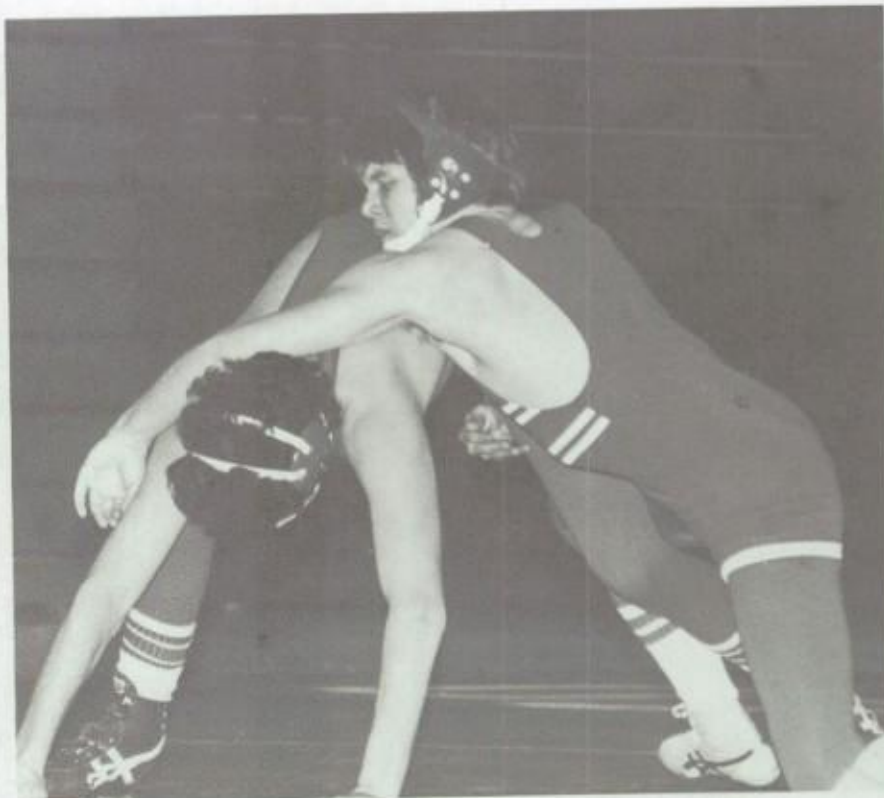

Hopefully the Warriors will successfully defend their Maryland Region II B-C Championship as they prepare for the County, Regional and State Tournaments.

CLASS OF 1982

The graduating class of 1982 proved to be one of the finest Sherwood has ever had. The Juniors worked hard to have a notable and remembered prom. Fund raising activities such as selling Warrior t-shirts started the year on the right course. Other successful ventures included a movie, selling popcorn after school, and selling Class of 82 sweatshirts.

Abby Pittle and Jeff Federman were chosen again this year to participate in the Montgomery County Chorus. An ensemble of elite singers from all over the county, the chorus practices each Tuesday night from 6:30 to 9:00 at Montgomery College. Their practices and rehearsals are geared to a particular ensemble performance. This year the group will be touring Pennsylvania and the Concord Resort Hotel in the Catskill Mountains.

After she graduates, Abby intends to major in the performing arts and hopes to further her singing career professionally. Jeff is more inclined to the dramatic arts and hopes to pursue that as a career. If not, he will follow a pre-law curriculum.

The class of 1983 managed to accomplish many things this year. Their outstanding Homecoming float won first place and a cash prize of \$25.00. Selling Sherwood sweat-shirts helped to increase their funds and enabled the Sophomores to put on the successful Valentine's Dance. The class also showed the Academy Award winning movie, "Kramer vs. Kramer" to an enthusiastic audience.

CLASS OF 1984

The Freshman Class worked hard to make their first year at Sherwood a successful one. Among their fund raisers were a movie, a carnation sale, a battle of the bands, and the always popular "Almost Anything Goes". Their last task was to plan a class trip to end a most progressive year.

Billy Costigan points out his favorite cheerleader.

Shelby Russell and the singing Poms.

Pep Assemblies are held before each new sport season. The purpose of these assemblies is to inspire school spirit and pep in the students so they will cheer the Warriors on at every game, meet, or match. Cheerleaders, Pom Poms, Flag Team and Pep Band are responsible for setting the mood through cheers, chants, skits, routines, and rowdy music. The excitement of the fans encourage the players to stride for victory.

"Twigs", Sherwood's own literary magazine, gives the students an opportunity to display their creative writing, poems, and artwork. Advisor, Mrs. Dubois, Editor, Signe Peterson, Art Editor, Beth Derx, and the rest of the staff carefully review each item submitted and publishes only those items of the highest quality.

This year, the Key Club has made a big change. In the past, the club has been open to boys only, but this year girls were also encouraged to join. Everyone worked in harmony to keep the track and football field in tip-top shape throughout the year. Ready to help with any special task needed by the school, the club gets the job done and gets it done right.

Row I: A. Schultz, Mr. Bowie, J. Smith; **Row II:** S. Whalen, D. Luce, J. Griffiths, G. Meyer, P. Quinnan; **Row III:** G. Knill, B. Kissel, P. Huang, J. Roby, S. Becker, **Row IV:** R. Roby, P. Whalen.

In the course of the year, the 1980-1981 **Warrior** staff gained experience and confidence, while at the same time improved the quality of the **Warrior**. Several innovations were implemented, such as the new survey section and the monthly calendar. Also, Sherwood's print shop printed the paper, making it a true student newspaper with students involved in every aspect of production.

Lisa Derx attempts to write an article.

Renee Servis uses caution in making a final layout.

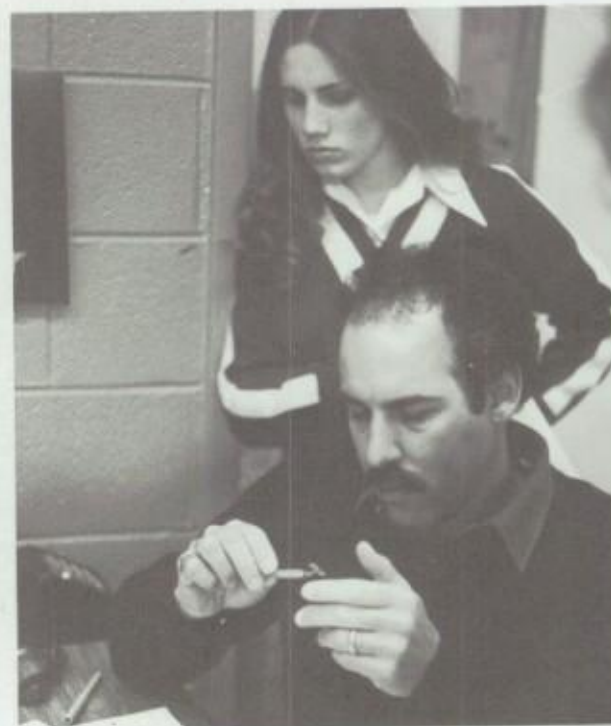

Audrey Watson tries her luck with the composer.

"LEAVES"

Row I: A.M. Duff; **Row II:** J. Barrett, B. Brown, R. Suarez, E. Browne, L. Derx, T. Becker; **Row III:** C. Smith, T. Nisbet, J. Manspeaker, N. Lessig, R. Manougian, D. Linz, K. O'Rourke, S. Cook; **Row IV:** L. Palombo, T. Greiner, L. Vincent, D. Betts; **Row V:** M. Henry, H. Wheeland, S. Andelman, J. Barclay.

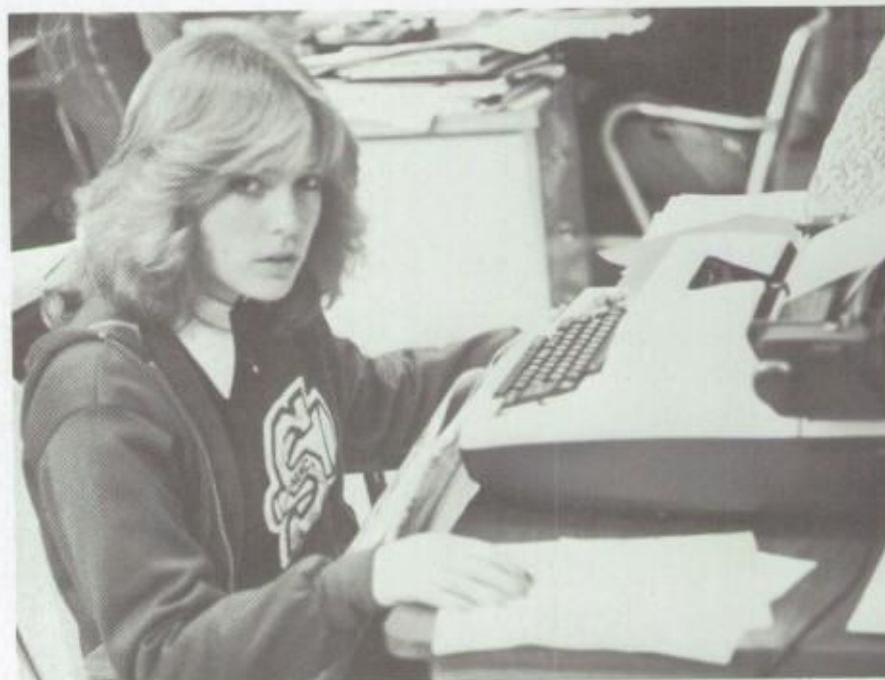

Production of the 1981 yearbook, "Leaves", began long before its distribution. After deciding upon the unique puzzle theme, "Pieces of Sherwood", Mr. Andelman and the staff began the process of creating the book. Numerous hours of long, hard work were spent in order to present a yearbook of distinction.

CLOWN DAY

Homecoming Week was highlighted by some "wild and crazy" days. Clown, pajama, hat, and blue and white days set the pace for some funny and memorable moments. On Friday, an all-school assembly was held to introduce the ten semi-finalists for Homecoming Queen. Before the tense moment arrived and the five finalists announced, the crowd was treated to skits performed by the Pom Pon and Cheerleader Squads. The Flag Team also gave a performance of precision and fancy twirling.

The festivities were somewhat halted as the game on Saturday was postponed due to the weather.

Sophomore Class Float, 1st Place

The postponed football game was played the following Monday after school. Preceding the game was a parade of floats honoring Sherwood's Seventy-Five Years as a community school. Backing up the floats were the Marching units, Flags, Pom Pons, and the Queen and her Court.

Even though the hard-fought football game against Richard Montgomery ended in a loss, Homecoming was a winner in everyone's opinion.

Act I, Overture: "We Love You Conrad" is sung twice during the overture.

Julie Altobelli and Maureen McGirr

"Bye Bye Birdie" was the title of this year's fall musical. The show is set around Conrad Birdie, a rock-n-roll star, and Kim MacAfee, the girl who will receive Conrad's "One Last Kiss" before he goes into the army. The overwhelming attendance of the community and student body, which was the largest Sherwood has had at a musical production in 12 years, testifies to the excellent performance given by the cast and crew.

Act I, Scene 6: Conrad Birdie lets all the people in Sweet Apple know that the key to his success is because he is "Honestly Sincere".

The Marching Band, under the direction of Richard Fazio, performs to the cheers of half-time crowds at home football games. It takes many hours of practice and precision timing to change from one formation to the next. A five day Spring Festival Tour in Philadelphia highlighted the Band's school year.

The Jesters consist of those students interested in all aspects of theatre. Most of the Jesters' activities center around the fall and spring plays when they take part in the production aspects of the shows. Membership in Jesters is open to all students, since the only requirement is a love of theatre. After receiving a total of 10 points, earned by participating in drama productions, a Jester may be awarded membership in the International Thespian Society. All profits made from productions go into the Ertzman Scholarship Fund. This scholarship is presented each year to a graduating senior who has taken part in Jester productions and plans to study theatre in college.

$$\frac{t}{1-r} \quad |r| < 1$$

Gary Christopher, "You want me to explain the geometric series?"

A dedicated group of students having an interest in solving algebraic problems, the Mathletes compete with other schools within the county. Everyone gains valuable knowledge and experience through competition.

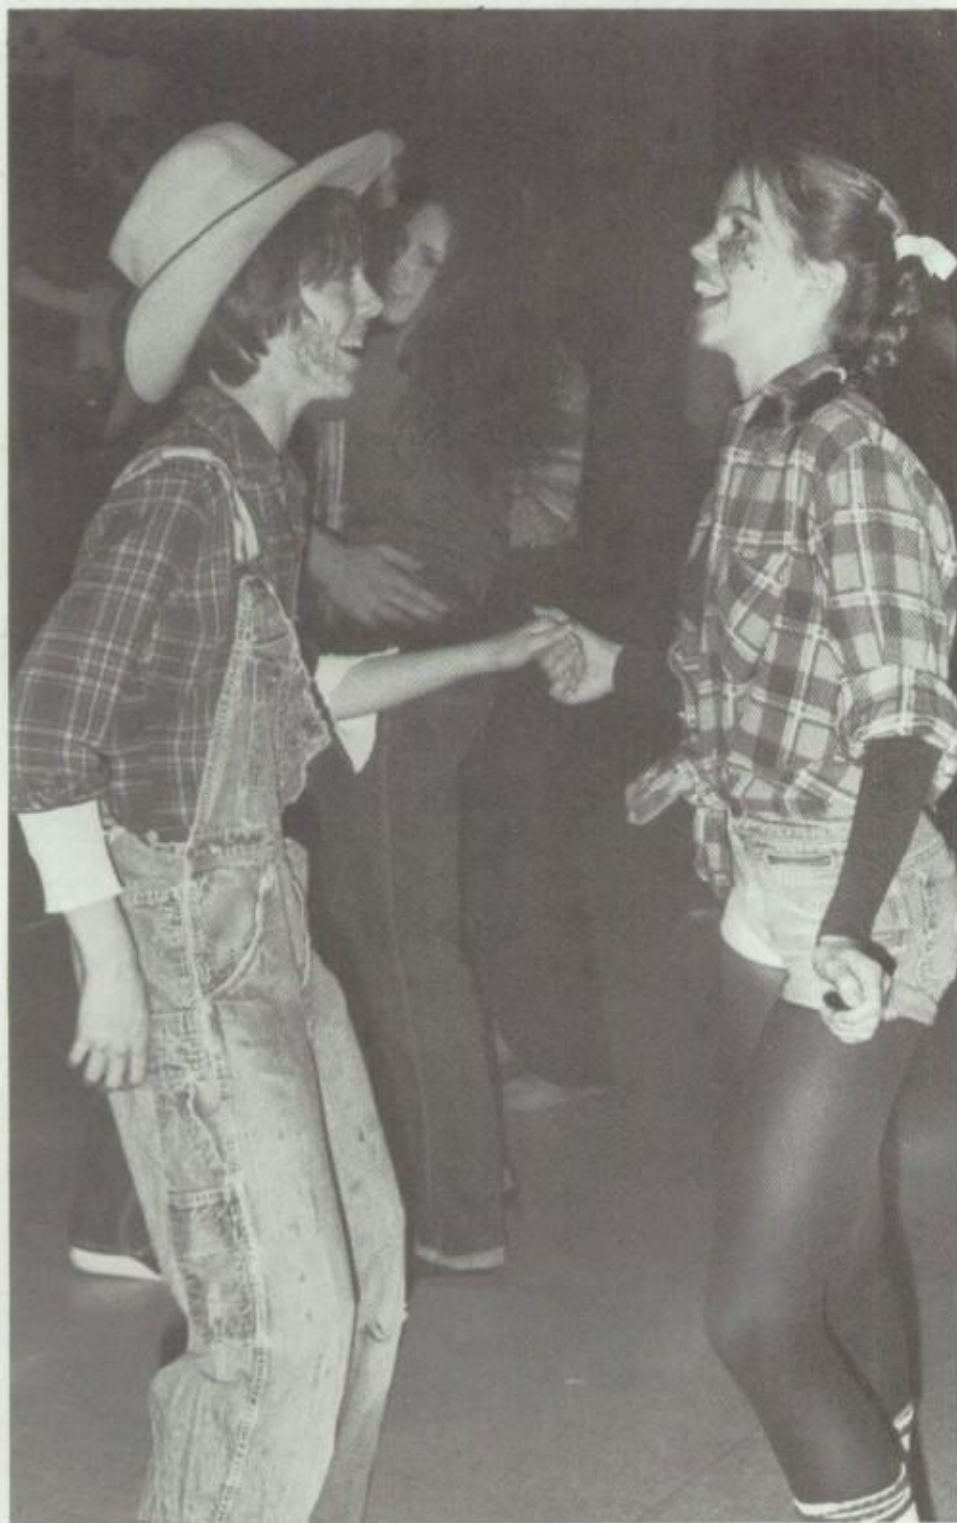

Students who have a deep interest in the game of Chess and would like to compete within the county are encouraged to join the club. Although a small group, the SHS Chess Club is known as one of the finest in the county.

SADIE HAWKINS DANCE

Everyone had a wild'n'swingin' time at the Sadie Hawkins Dance. The disc jockey provided the music for disco fever and Star Lighting provided the flashing lights for an overall disco atmosphere. All night, there was a long line of couples waiting to get hitched by Marryin' Sam.

"Sparkle Boutique" is the glittering title for the shop held annually by the Fashion Merchandising classes. The theme for this year's boutique was "Warrior Spirit." For one week, the Home Economics Department was transformed into a small scale department store with such items for sale as jewelry, sweaters, and designer jeans, many at reduced prices. The classes gained valuable experience from this very successful and profitable activity.

FOREIGN EXCHANGE STUDENTS

Amina Durrani, contemplating her life in Chile.

Magali Rous enjoys a good book.

"I know that some people think I'm crazy to give up a year and go away to Chile, but I'm really not giving up a year, I'm gaining one. While learning about life in a foreign country, I'll be teaching my Chilean friends and family about life in the U.S. It might be difficult at first, since I don't know Spanish, but I'm prepared to try. I think trying is important, because if I never had tried, I never would have been able to have an experience like this."

"My name is Magali Rous, and I come from Montpellier, in the South of France, near the Mediterranean Sea. My high school is very different from Sherwood, because we are not allowed to choose our subjects; each year, we must study French, Maths, History, Geography, Physics and Chemistry. I like Sherwood better than my old high school because I think the relationship between students and teachers is better, more friendly. Also, in France, there is no such thing as 'school spirit'."

"My name is Sandra Flores and I am from Ecuador. This is my first time attending a co-educational public school. In Ecuador we usually study 15 subjects each year, which the school chooses for us to take. Also, the teachers change classes, not the students. For me, this year is a great experience, because I have met many new friends, experienced new customs, and am living with a great family. I even saw snow for the first time! I like Sherwood very much, and am planning to write a book about my United States visit, based on the diary I keep every day."

Sandra Flores can't reach the one she wants.

HOLIDAY CONCERT

On December 11, the Ertzman Theatre was filled with music as the sounds of the Holiday Concert filled the air. Sherwood's Music Department, under the expertise and guidance of Choral Director, Mr. Evans and Band Director, Mr. Fazio, sponsored and produced this annual event. Impressive performances were given by the Music Men, the Jazz Band, the Symphony, and the Choral groups, who performed several traditional carols, as well as some more contemporary songs.

The school store, sponsored by Mr. Hanley, sells school supplies. This program gives the students experience in merchandising, sales and inventory, as well as providing students with necessary materials.

Consisting of 32 members, Sherwood's Pep Band has numerous practices during the summer and throughout the school year in order to create Warrior spirit at various activities such as football games and pep assemblies. Also, the band plays at several fund-raising events, such as the Marine Marathon, where they were awarded for their service and performance.

C. Moore, (Treas.), L. Brent, (Sec.), P. Whalen, (Pres.), R. Weekley, (V. Pres.)

It is through the S.G.A. (Student Government Association) that students are able to voice their opinions. Each month, elected first-period representatives attend a General Assembly meeting. It's the task of these delegates to bridge the gap between the administration and the students.

Cheryl Moore tries to balance the S.G.A. account.

A new organization, the Debate Club, is sponsored by Mrs. McBride. Students debate among themselves, and students, from other county schools.

PRINTSHOP AWARDS

Richard Hall finds something attracting his attention.

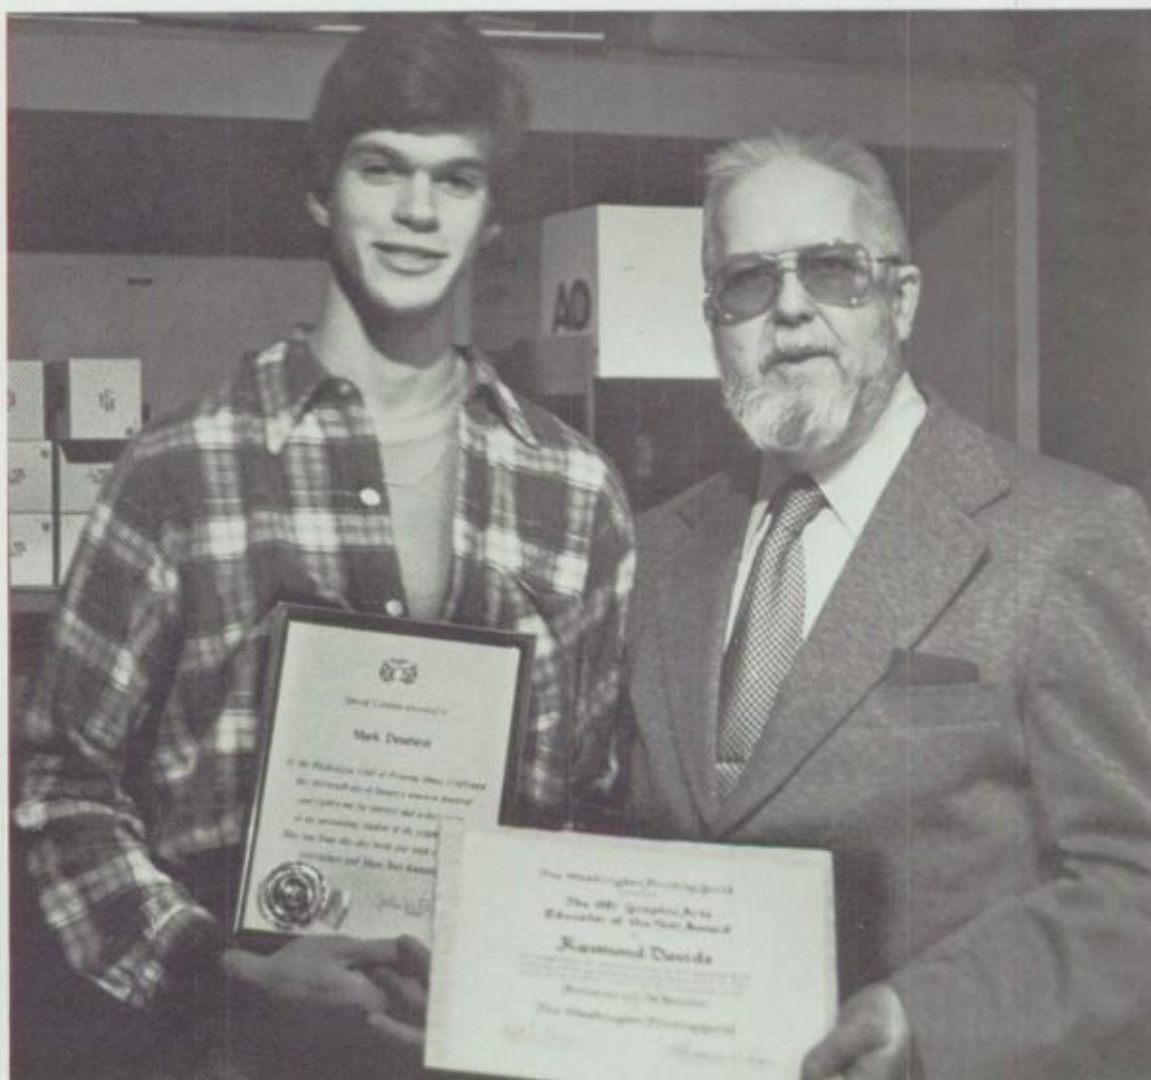

The Washington Printing Guild awarded Mr. Raymond "Buck" Davids the 1981 Graphic Arts Educator of the year for his excellence and dedication to the field of printshop education. Mr. Davids was the only teacher in the Washington-Metropolitan area chosen to receive this honor. Senior Mark Dewhirst is one of seven students in Montgomery County to be voted as an Outstanding Graphic Arts Student.

Eight Sherwood students this year were participants in the Montgomery County Automotive and Construction Trades Foundation. Only a limited number of Montgomery County students may participate, and those few who do are chosen by application. Classes are limited to fifteen. At the foundation center in Rockville, the autoshop and bodyshop classes run a self-supporting mini-auto dealership. The plumbing, bricklaying and carpentry classes learn all the tricks of the construction trade by actually building a house throughout the course of the school year. Students from Sherwood who were involved in this unique "Learn by Doing" experience were John Gnall, P.J. Kastens, Pat Caffrey, Frank Caffrey, Jim Hilty, Billy Antonius, Luis Callegari and Pam Coffin.

Everyone participates in the General Assembly.

2500 high school students, including 43 Sherwood students, took part in the highly educational activity of the 18th North American Invitational Model United Nations. Held at the Shoreham Americana Hotel, in Washington, D.C., in February, the four day assembly includes committee meetings, a security council, General Assembly and a plenary, for each country represented by the delegates. Run by Georgetown University students, the Model UN is conducted exactly as the real United Nations, allowing students to better understand the function and purpose as well as the necessity of such agencies for cooperation between world powers. The Netherlands, the Philippines, the United Arab Emirate, and the Security Council for Ireland were represented by Sherwood students. Mr. Boteler is the faculty sponsor of this extremely worthwhile experience. The Netherlands delegation received Honorable Mention from the University.

GOLD

Russell Loane tickles the ivories.

"Solid Gold" was the theme for this year's RRR, which included a cast of 125 talented Sherwood students and teachers. For ten years, this unique show has been going strong, performing to a sold out theatre. There is something for everyone's taste in this show which contains musical selections of the various rock sounds of the 50's, 60's, 70's, and 80's. Thanks to Sam Andelman, Director of the Show, Bill Evans, Musical Director, and Tom Musgrove, Lighting Director, the show was a tremendous success.

ADMINISTRATION

Vice Principal **Joseph Byrnes**, Vice Principal **Jerry Lea**, and Principal **Dr. Leon Clay**

Dr. Clay stops to give some good advice.

A strong administration is necessary for a smoothly run school. A principal is a master teacher, not a master of teachers. It is the responsibility of Dr. Clay to oversee the entire school plant, from scheduling and budget to discipline and maintenance of the building. His duties involve working with parents, teachers, students, and the community, to help make Sherwood a better school. An active participant in the community, Dr. Clay is either a member or works closely with the Boy's Club, Rotary, and Lion's Club. Through this involvement he is able to gain insight into the wants and needs of the parents and students who live in the vicinity of the school.

The Vice-Principals are delegated specific duties by Dr. Clay. Mr. Lea and Mr. Byrnes are responsible for overseeing the instructional program and evaluating teacher progress. They prepare the master schedule, implement and enforce school policy, and generally help to keep the total school environment running smoothly.

JERRY LEA: Vice-Principal

Sherwood High offers a basic general education to all students. However, the quality of education here is a reflection of individual interest and motivation on the part of staff and students. This year's successes in the academic, activity, and athletic areas lead me to believe that Sherwood offers more than basic education.

Dr. Leon Clay

A place for everything and everything in its place.

Jerry Lea

Make today the best you can. Your yesterdays and tomorrows will be well provided for.

GUIDANCE

FRED "TANK" SCHULTZE: Tenth Grade Counselor

EILEEN FLOOD: Eleventh Grade Counselor

Mr. DiBiase helps Sheri Elliot with her schedule.
VINCENT DIBIASE: Twelfth Grade Counselor

DICK RANSHAW: Guidance Resource, Eleventh Grade Counselor

STAN HANLEY: Career Awareness; School Store, Asst. Athletic Director

The Guidance Office is the place where students are greeted by friendly faces. They get personalized help in making up and working out schedules. The Career Center helps students plan for both college and careers. Students are informed about colleges, entrance exams, careers, financial aid, and scholarships. Further help in making decisions for the future can be secured by enrolling in the Career Awareness Course.

BETTY SHILLING: Guidance Secretary

AUDREY HILL: Ninth Grade Counselor

Mrs. Sonsini and Sheryl Green plan for the future.

MATHEMATICS

NANCY GRIFFIN: Math 9, Algebra I, II

From addition to calculus, Mathematics is the discipline of thoughts. By grasping the basics of number relationships, we learn to associate and put ideas in logical order.

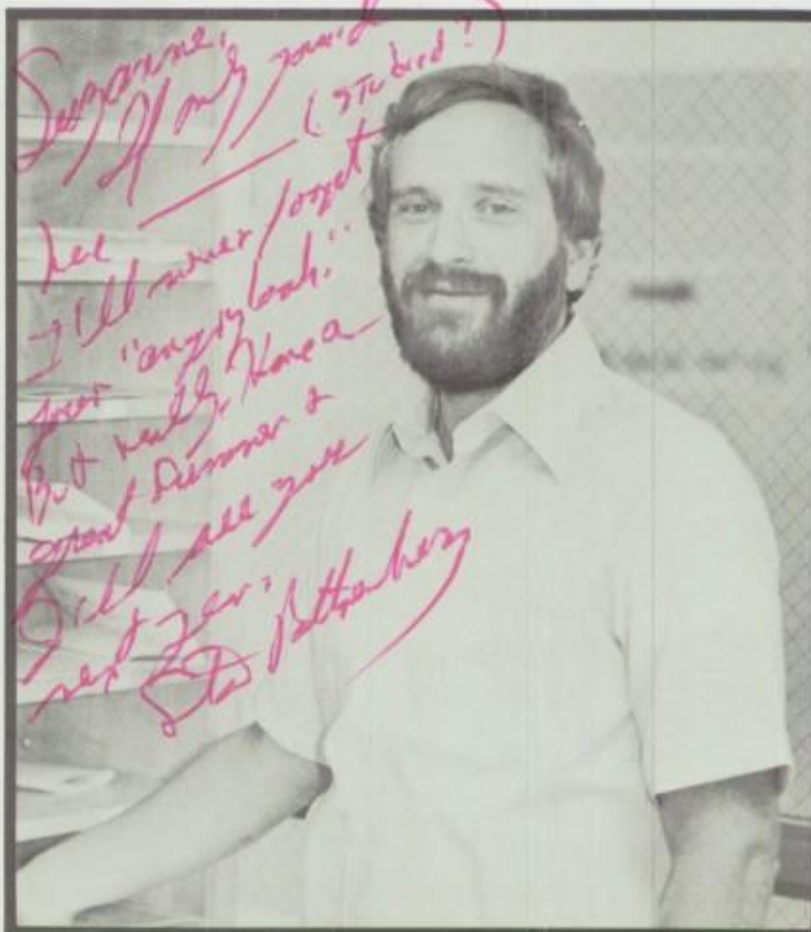

Whether a student is interested in simple everyday problem solving to calculating the most advanced equations, the Mathematics Department can handle every need. Equipment such as self-help teaching machines and a sophisticated computer are available to aid students in the learning process.

JACK BURK: Mathematics Resource, Geometry

TRUDY KOTZKER: Mathematics Aide

STANLEY ROTHENBERG: Consumer Math, Algebra I, II, Trigonometry

Dr. Fortner shows Kathleen Morris how to operate the simulator.

CYNTHIA BLUNT: Typing I, II

Julie Dinerman, keep your eyes on the copy!

ANN KAPLAN: Typing I, Advanced Typing, Shorthand

JAMES CONNER: Driver Education; Student Government

HARRY KNOTT: Accounting I, Business Math

The three disciplines of Home Economics, Business and Driver Education go hand-in-hand, as each area is involved in the management of our everyday lives. Home Economics provides a foundation for cooking and sewing as well as professional business experience in the operation of the Sparkle Boutique. Business courses such as Typing, Shorthand, and Business Math are useful in home management and career oriented jobs. Driver Education is necessary for the skills it teaches us in defensive driving.

THE ARTS

Art and Music provide a diversion in the busy academic schedule. Although considered minor subjects, these courses offer each student the opportunity to specialize and prepare for a career in the arts field.

Art offerings range from the very basic Fundamentals Course to Advanced Studio and Independent Study in Ceramics, Painting, and Photography. Special emphasis is placed on the preparation of college portfolios.

Music courses such as Guitar, Madrigals, and Band enrich a student's life and provide an opportunity for each student to perform on stage and in parades.

Billy Fitzgerald adjusts the enlarger as Mr. Andelman looks on.

GLORIA GREEN: WOC Aide

JOSEPH VENT: WOC; Varsity Football, Gymnastics

TOM MUSGROVE: Audio-Visual Technician

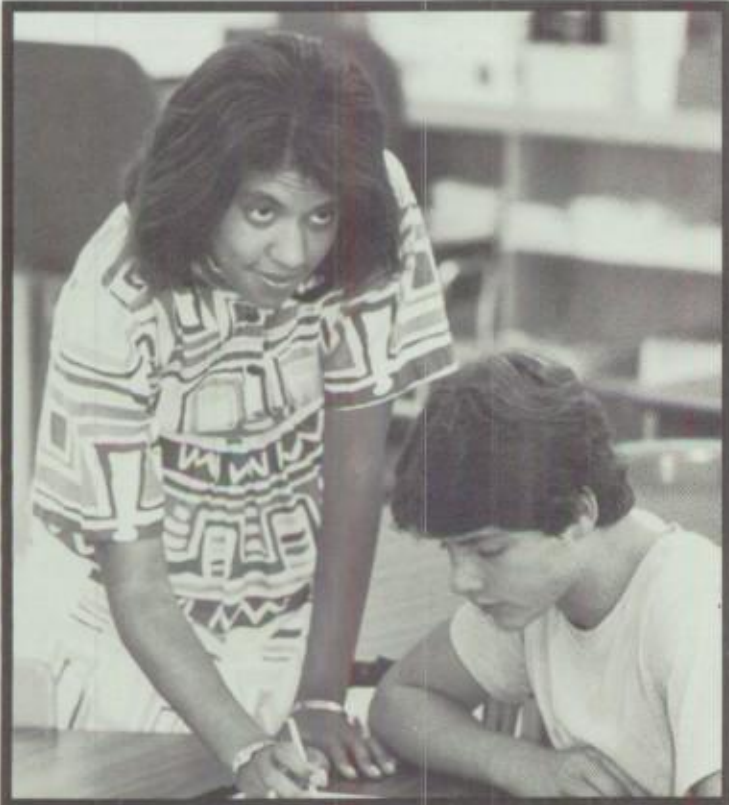

SRC ESSO

The student Resource Center and English-Social Studies Opportunities programs are designed to help any student in need of specialized education. As class sizes are smaller, more attention can be focused on the individual who is having learning problems.

The SRC also works with any teacher who may be having a problem with a student. Individual and group counseling are instrumental in helping students and teachers cope with their problems.

NEDRA CRAWFORD: SRC; American Field Service

LOOK
TO
THE
FUTURE

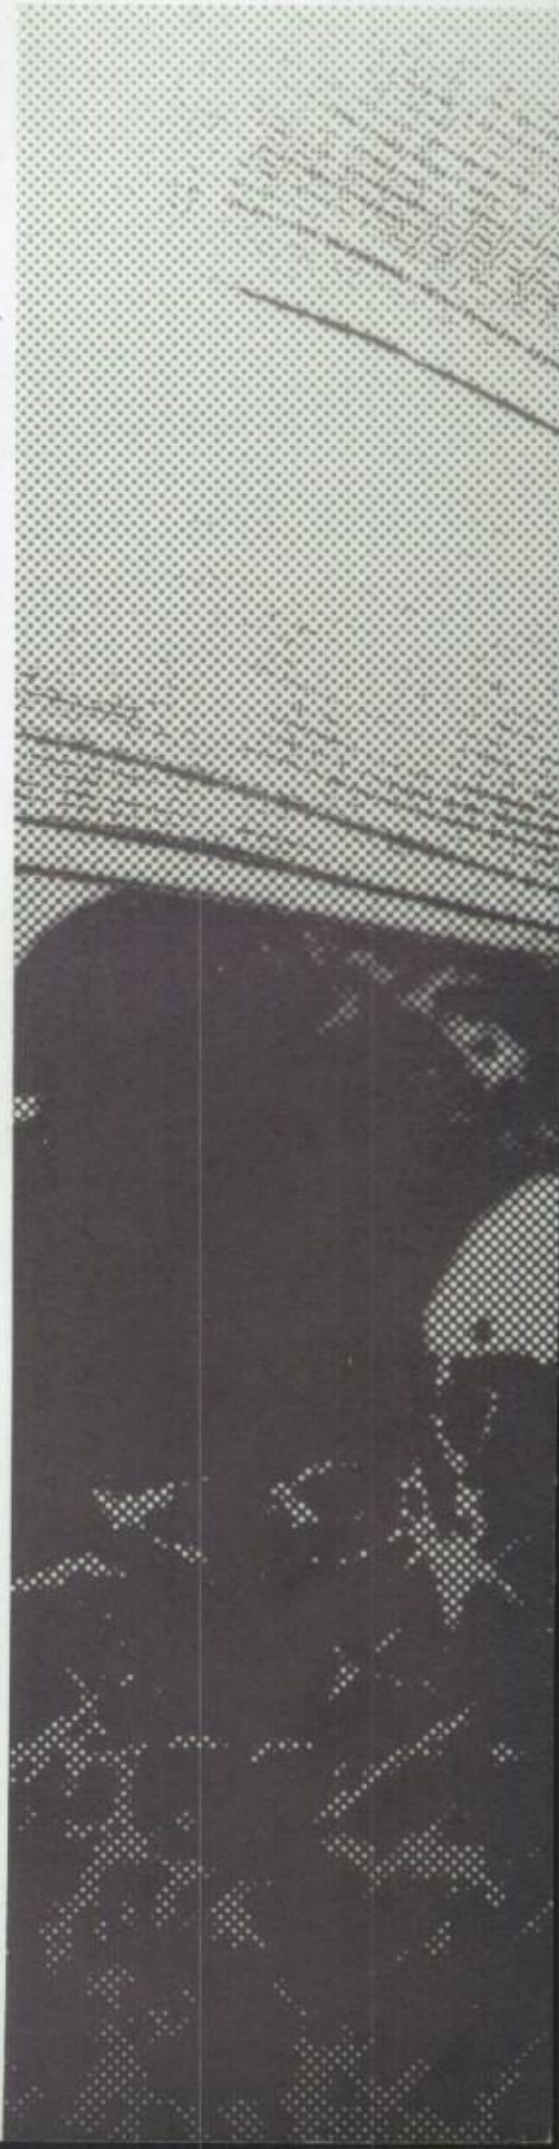

The past is but the beginning, and all that is and has been is but the twilight of the dawn A day will come when beings who are now latent in our thoughts and hidden in our loins shall stand upon this earth as one stands upon a footstool, and shall laugh and reach out their hands amid the stars.

Herbert George Wells "The Discovery of the Future"

(1901)

Suzanne,
I'm glad we're getting to be friends again.
I was never mad at you or anything
but I knew you didn't like me that
much. I hope that we can become
really good friends this summer.
Thanks for inviting me to your
party. Remember when we were in
3rd grade? And I would help you
petal your bike home. That cracks me up.
I'll never forget Ms. Perez's class.
Thank good we'll never see her
again because I wouldn't be
able to take it any more. Well
please keep in touch over the
summer. Love ya! 
Laura ^{lee} smile!

Is the future going to be a struggle?

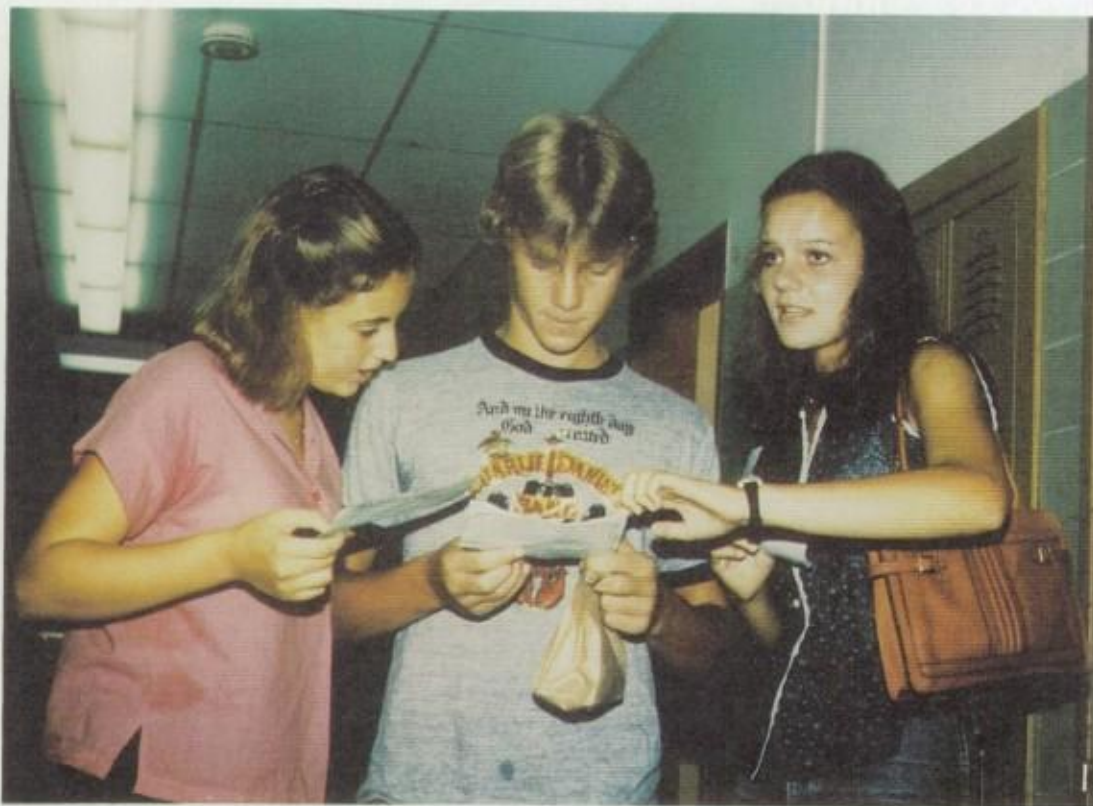

Or, is it going to be a breeze?

Suzanne-
 I'm not gonna write "I'm
 glad we got to be good friends
 this year" even though I am.
 It would be great if we had
 some classes together next year, but
 I think you're too much smarter than
 I am, too bad. If you were stupider,
 maybe we'd have some classes together!
 Remember Hershey Park? That was
 great! On the bus up we drove every-
 one crazy!! 100000 bottles of beer on
 the wall!! Wanna buy a duck? A what?
 Telling all those rude jokes & all those nigger
 jokes, then riding the Giant Wheel &
 getting sick!! We oughta do that more
 often!! HA, HA! We've gotta get
 together sometime over the
 summer. HAVE A GREAT ONE!

A fond farewell from **John Warner**.

This school year is drawing to a close and we're another year older. For most of us the puzzle will continue for up to three more years, but, for just over 300 students, a new puzzle awaits. Be it college or a trade, the pieces of life ahead of us have certainly been influenced by the past four years.

Look to the future. The past is behind you and if you only live for the present you will never be prepared for life. As you look over these last few pages, remember the good times, the familiar faces, the classwork, the big games, for these days of your youth are coming to a close and a greater challenge looms ahead.

7.5, Thank God for the
end of Driver's Ed.
We really loved
that class didn't we?
HELL NO!!

Suzanne,
It was great knowing you,
One thing I will never forget about
you is how sometime you just explained
and put someone down, like one time
during a Quiz in Faust's class, you suddenly
yell out, "Would you stop that," real loud to
what's his face? Some times things get
on your nerve but you are altogether -
nice person. See you next year
and have a great summer.

Suzanne

We go back quite a while, each
we have classes together
Hope it's the same next year.
I'm glad we have classes together
Stay as sweet as you are, I
but I ~~am~~ still don't know who they
are!! Take care & have a super
summer! KIT 774-0488.

Love, Ayda

Suzanne,
I'm glad I got the chance
to know you this year - your
really nice. Thanks for
inviting me to your party.
I really had a great
time! Summer's so great
I hope you have a great
summer too. Love, Amy

Suzanne,
Hope you have a great summer and you had better
keep this yearbook for a long time. For when I'm
famous, you can show it off to your friends.

well have some classes again next year! (that was full party!)
Summer + I'll see you at the pool!

Suzanne,
 Having history this year
 with you has really been, well,
 I guess I could say different.
 No, really it was fun. Doen
 ever did their work, we were
 all always talking, and
 failed a lot of tests. On and
 Mr. Washak calling us bone-
 heads! anyway, have a great
 summer!

Sandra Hoffman

Suzanne,
 It's been great having
 you in two of my classes this year.
 Both classes were a lot of fun. Maybe
 it was because Mr. Rothberg was
 always teasing you about $4+3=8$ or
 Mr. Washak calling you a "bonehead."
 Hope you are in some of my classes
 next year.

See you later,
 Richie Cole

It's been nice seeing
 youe pretty face + nice
 smile walking through the
 Halls. Hope to see you next
 year, Best of luck in
 the future. HAVE A NICE
 SUMMER.
 Howard "Brother" Hill

Suzanne,
 How's it been this year.
 I don't think I've seen you
 once to ask you. Maybe next
 we'll have at least one class
 together. I really can't think
 of anything to say so. I'll
 probably see you in the park
 all the time

Suzanne
 It's been great having
 you in lunch with all the
 gang. I'll always remember the
 weird food you use to eat and
 you Tim, Patty, Eddie use to do each
 others Chemistry Homework. Well, I'm
 gonna get something to eat
 See you next year

Suzanne,
 It's been great in English
 this year and I hope we
 both get through French
 O.K. Have a beautiful summer
 Tony Coleman

Suzanne,
 you and Dawn sure don't
 have much space in your yearbooks
 do you? Oh, well! Chemistry wasn't
 too bad and next year is gonna
 be great! I guess this is goodbye.
 See ya Next Year Love,
 Flash (Steve Gordon)

Suzanne,
It's been a lot of
fun in math and
History this year. We
should have just as
much fun next year.
I hope to see you over
the summer. Good luck
in the future.

Suzanne,

It's been great
knowing you all these
years. Chemistry was
a total bore except
for the labs. I'm
sorry if I got
you upset that

day we had a sub
and me, Phil, Butch
throwing paper at you. I guess I'll be able
to be at your party. ~~But~~ It will be a blast!

Can't say bye cause I know I'll
see you at the pool this summer

Suzanne,
This year really went
by fast. It's bad we
did not have any classes
together, next year we
better. Hope to see you
over the summer.
Your friend always

Love ya
Sue Rust.

Suzanne, we have
been friends for many
years now. I am glad
even though we aren't
as close that we didn't
split up. You are really
sweet & I hope next
year we share a class
or 2.

Suzanne,
 This year has
 been pretty wild!
 Crazy is more like it. We had
 fun in English and chemistry. The
 2 classes were total opposites. Bindi was a
 totally crazy teacher. Remember how she used
 to get so excited over things! And then how
 boring Mr. Faust was. But who cares, he was an
 well, have a great summer. We'll probably have more
 classes together next year. Seems like we always do.
 See ya over the summer

Suzanne,
 I really enjoyed having lunch with
 you this year. I'm glad I'm not the only
 one who likes "dislikes". I'll never
 forget all the crap we gave him. She deserves it.
 I'm really glad that you don't have her
 next year. She's a bitch, don't let her get to you!
 I hope I'll see you over the summer. Love!

SUZANNE,
 It's hapless that I'm out
 and I'm sorry you all are
 still in school. ERNIE F's class
 was not the best, but I met some
 GOOD PEOPLE in THAT CLASS.
 BEST OF LUCK TO YOU AND tell
 ERNIE he is AN @!@!@!?

Suzanne,
 It was really
 nice knowing all
 those years. You're
 a really nice girl
 your friend

Patricia

Suzanne,
 Please, do not rub my
 hair out (Just kidding) I've
 been your friend
 this year. Hopefully I'll be able
 next year to see you
 Love, Tony Jovian

Suzanne,

I know we've had our arguments, but I really think you're a nice person. I hope I can get into Mrs. Bredland's class to see you and Judy and all. I hope you have a great summer.

Butch Crone

Suzanne,
It's been fun in

Suzanne,
I met you last year
& we became pretty
good friends. I wished
we could have become
better friends this year
but I didn't see you
next year. I hope you
class together & become
better friends. Hope to see
you next year.
